Welcome Letter

Dear Industry Partners,

We would like to officially welcome you to next year's annual meeting of the Acute Cardiovascular Care Association of the ESC.

Our congress is the leading scientific event for all healthcare professionals working in acute cardiac care. This meeting brings together cardiologists, intensivists, anaesthesiologists, internists, cardiac surgeons, nurses, paramedics and other allied professionals who care for acutely ill cardiac patients.

The programme will offer in-depth presentations by leading experts on acute coronary syndromes, acute heart failure, reperfusion and revascularisation, circulatory support in shock or pre-shock, management of arrhythmias in the acute setting, general intensive care, as well as secondary prevention with a focus on anti thrombotic therapy, lipid lowering and anti-diabetics.

The Acute Cardiovascular Care Association of the ESC continually invests in the education of young doctors and researchers. The aims and objectives of our congress are rather simple: delegate education and the dissemination of knowledge in order to further improve patient outcomes. This will be done by gathering leading specialists who will present the latest advances in the field of acute cardiovascular care.

Delegate education is a shared mission and you are our partner in science and education. As we are sure you are aware, scientific congresses require the support of industry and we hope that your company wishes to demonstrate its products, to present your latest developments to an enthusiastic audience, and, if these developments have been proven by international investigations and trials, is willing to organise a Satellite Symposium in order to supplement the educational quality of our scientific programme.

If you have any specific requests, we will be happy to work with you on an individual basis in order to best examine the ways in which we can collaborate.

On behalf of the ACCA Board and the Congress Programme Committee, we look forward to welcoming you to Malaga for Acute Cardiovascular Care 2019.

About the Acute Cardiovascular Care Association (ACCA)

ACCA is a worldwide reference for education, research and science in the field of acute cardiovascular care for all professionals involved in the management of patients with acute diseases. Over the past years, we have constantly evolved and improved our dedication to best patient outcome. Time and effort have been invested into building a comprehensive portfolio of activities that now constitutes a solid foundation for our association:

- A renowned annual congress
- A dedicated journal *European Heart Journal Acute Cardiovascular Care* (EHJ-ACVC) with 8 online and 6 printed editions
- A textbook on intensive and acute cardiac care (updated every year with a standalone online access)
- A clinical decision making toolkit (with a dedicated drug section, available online and via a mobile application)
- An e-learning programme (79 interactive topics in the field)

Acute Cardiovascular Care congress

●— Key reasons to sponsor

Acute Cardiovascular Care congress is the European meeting for the multidisciplinary group of specialists who treat patients with acute cardiovascular diseases. The congress provides a natural platform for professionals to learn, exchange and disseminate best practices for the benefit of the patient.

All prices are excluding VAT.

The following services are included in the price of a satellite symposium:

- Room rental
- 1 flyer
- 1 weblink
- 1 ESC room hostess*
- Access and use of audiovisual equipment in lecture room

Companies organising non-exhibitor symposia will be allocated 4 scientific badges and 4 general badges.

**The ESC room hostess will only be in charge of welcoming and briefing the Chairpersons and the Speakers on technical facilities and ensuring that sessions run on time. The ESC room hostess may not be asked by the session organisers to distribute promotional materials or scan delegate badges.*

NOTE

- The full list of equipment will be communicated upon room assignment. Cost of additional equipment, furniture, food and beverages will be at the expense of the sponsor.
- Industry sponsored sessions programmes will be published in the Acute CVD 2019 Scientific Programme & Planner (SPP), PDF version of the Final Programme and on the Mobile App.
- Satellite Symposia programmes are subject to Acute CVD 2019 Programme Committee approval.

**Industry Sponsored Sessions will be assigned on a first come, first served basis.
Application deadline: 23 October 2018**

Sponsorship

A wide range of services for congress attendees are available for sponsorship by our industry partners providing essential support for the congress and opportunity for novel communication to the healthcare profession.

Partner Services

The ESC has created two product categories to allow companies to organise different meeting formats within the congress centre, during congress hours.

Meeting Rooms

Depending on availability, the ESC allows exhibiting companies to host a limited number of guests and organise small and informal meetings (approx. 20 pax) in a range of rooms available within the congress centre. Hands-on and training of products/ therapies are not permitted in Meeting Rooms.

Companies are responsible for furniture, AV equipment and catering arrangements with the official congress venue suppliers within these rooms.

Price available upon request.

Closed Industry Meetings

During available time slots, fully furnished and AV equipped lecture rooms can be used to organise closed industry meetings which are on invitation only. The following rules apply to this meeting category:

- Meeting is "closed" and on invitation only.
- Maximum attendance is 200 guests.
- Meeting is not promoted in the congress centre or in any Acute CVD 2019 publications.

Closed industry meeting

60 minute meeting	€3,000
Additional cost per increment of 30 minutes	€1,500

All prices are excluding VAT

Permitted meeting types:

Company staff meeting, congress briefing, investigators meeting, clinical trial updates.

Strictly forbidden: meeting with any formal presentations for delegates.

Rooms will be assigned on a first come, first served basis.
