EACVI 2020: a NEW Congress

Wednesday 09 - Saturday 12 December 2020

Barcelona - Spain

EACVI
European Association of
Cardiovascular Imaging

The **essential, one and only event** on cardiovascular imaging in 2020, gathering beginners and experts of all CVI techniques.

EACVI 2020: Patient centric approach

- Focusing on diseases while addressing technical aspects
- **Target audience: HCPs involved in daily clinical practice**

It will place HCPs at the cutting edge of Imaging:

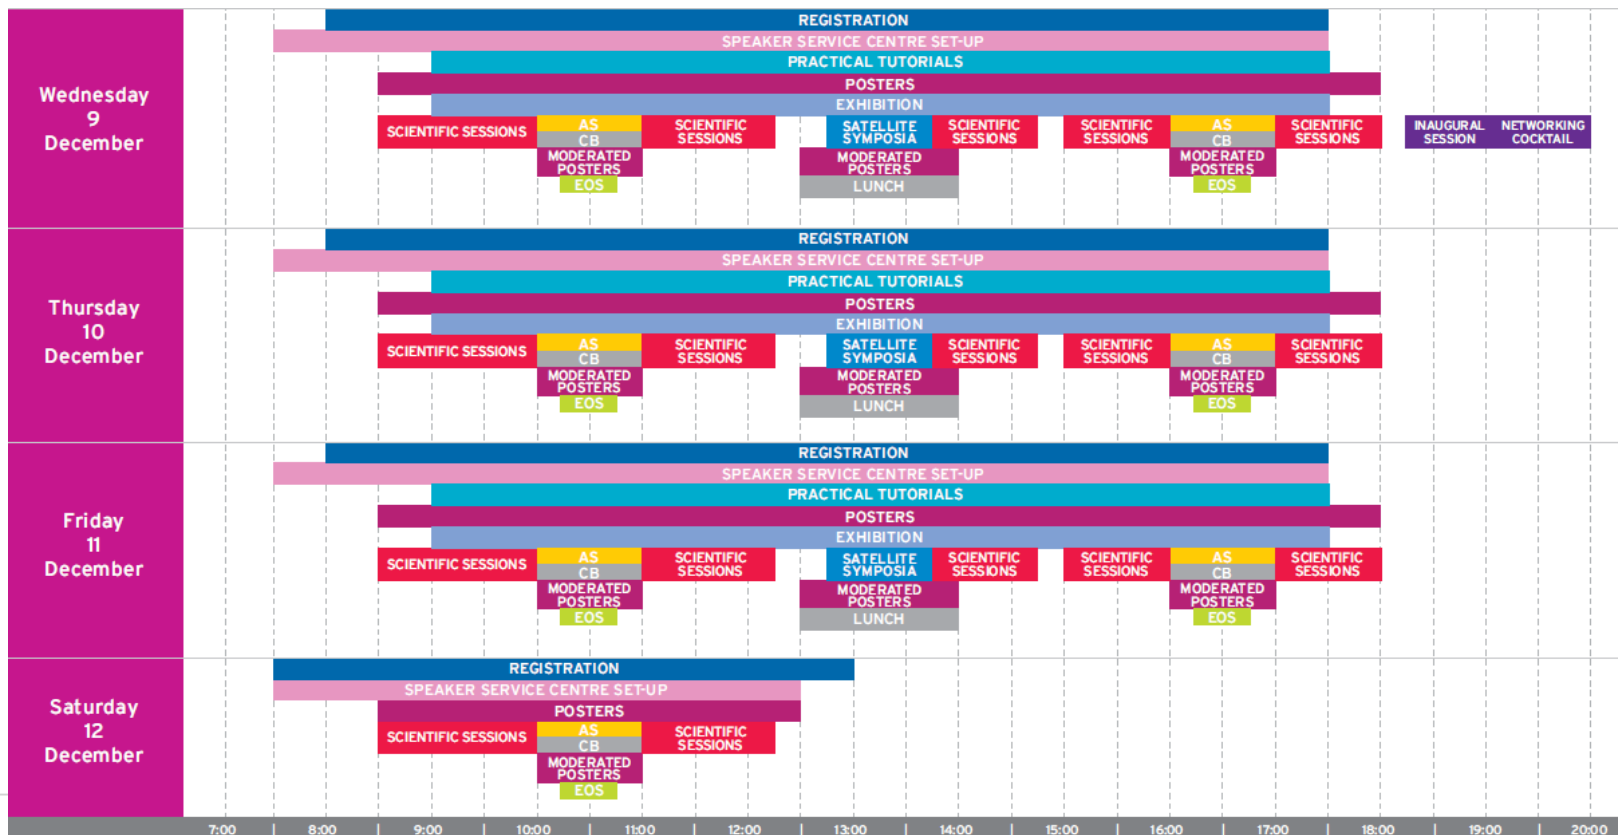

- Build bridges among modality experts
- Deepen their knowledge of their own technique
- Broaden their comprehension about multimodality

I. Multi-Modality Imaging (MMI): 3 Large lecture rooms

Sessions focused on pathologies & structure around the themes:

Diagnosis → Patient Management → Outcomes & costs & opportunities

- ✓ Ischemic Heart Disease
- ✓ Hypertrophic Cardiomyopathy
- ✓ Valvular Heart diseases
- ✓ Congenital Heart Disease
 - ✓ Arrhythmias
 - ✓ Heart Failure
 - ✓ Pericardial Disease
 - ✓ Aorta and Vessels
- ✓ Prevention, Rehabilitation and Sport Cardiology
- ✓ Cardiovascular diseases in special populations

Specific Tracks: Echocardiography / CMR / Nuclear / CT

1 dedicated Room per technique:

- Basic: **Level 1 Certification track in collaboration with EACVI Certification & Education Committees**

- Advanced: Latest updates in the technique

Special sessions & Learning environment

Hub: Special sessions addressing multiple topics (debates with experts, KOLs...)

Agora: Abstracts & Clinical cases

Satellite Symposium

In-depth view and pertinent data of scientific progress and research in cardiovascular care.

- Large audience (100 to 600 pax)
- 60'
- Lecture room presentation

Expert on the Spot (add to Sat.)

Interactive sessions with further opportunity to question and exchange with topic experts.

- Limited audience 200/100 pax
- Short sessions 30'
- HUB & AGORA: format designed to ensure experts **interact** with delegates

Practical Tutorials

Tutorials providing participants with an opportunity for hands-on, one-on-one learning from clinical cases with experts on specific areas.

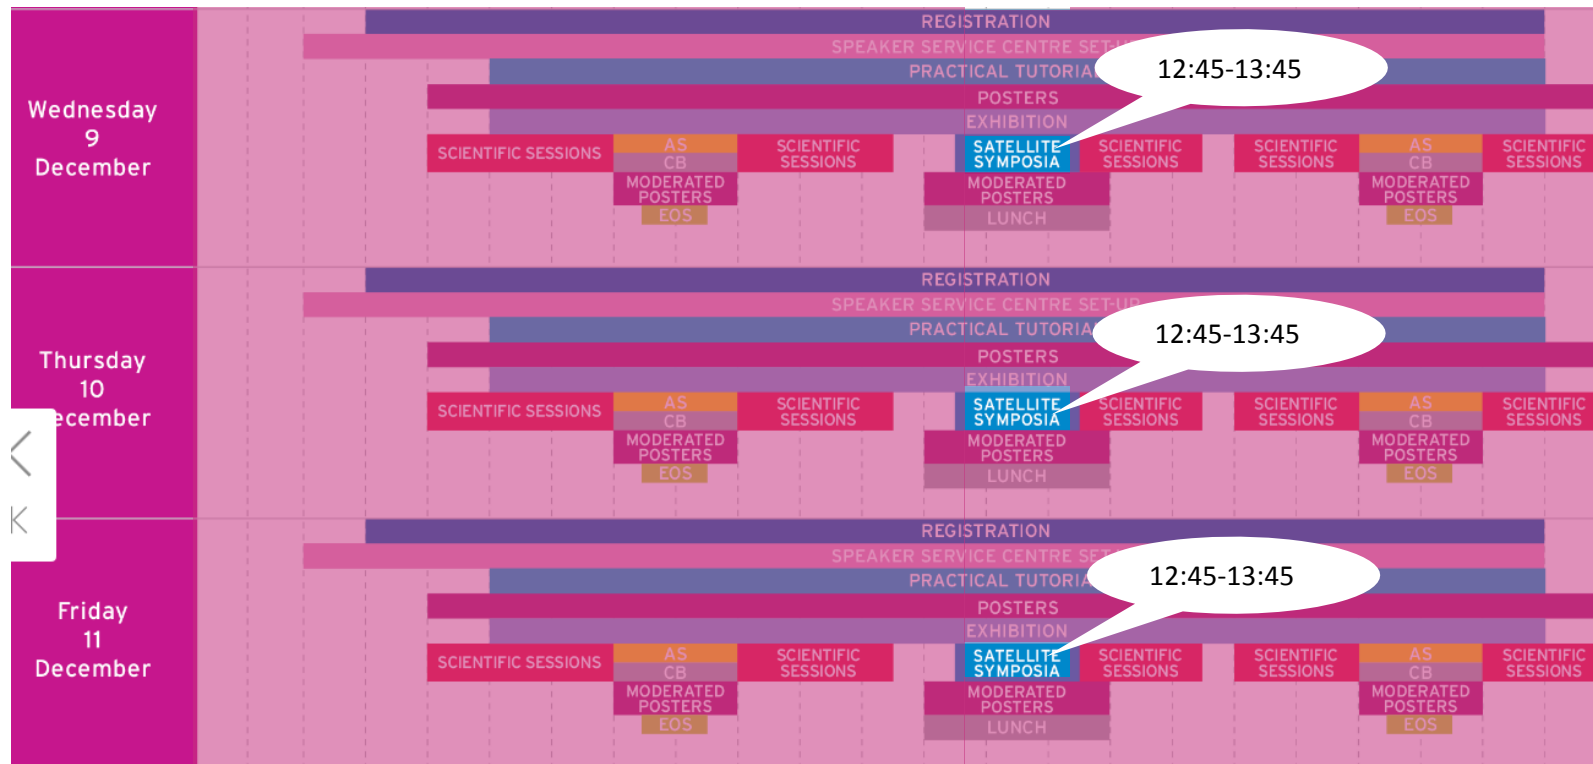

- Registered audience ~100 pax
- 4 to 5 sessions of 60' to 90' per day during the 3 days of the congress. (12 to 15 in total)
