

# EuroEcho Imaging 2016

EDITION

7-10 December 2016, Leipzig - Germany

## **LOADING ACCESS PLAN AND PARKING FACILITIES**

Please refer to the map of the venue named "Map of Leipziger Messe". Exhibitors enter the premises through **GATE NORTH 1** (left side of page).

### **During build-up and breakdown:**

Cars, trucks and mini vans could park outside Hall 2 (directly at the Hall, close to hall gates 2.1 and 2.2) for free.

### **During the event:**

Exhibitors could purchase park tickets for cars and mini vans to park within the same area outside Hall 2. During the event, trucks will have to be parked outside of the exhibitions ground. The area is called "open exhibition space 2 (above Gate North 1). They could also purchase tickets.

Buses with guests could drop off the guests directly in front of CCL – refer to the plan showing how to get there named "Drop off area for buses". Afterwards they need to park at car park P2. There are lanes for busses to park.
