OUR CITY

Copenhagen consistently ranks in the top for the world's most **livable, sustainable, and people-friendly cities**.

Compact and internationally-minded, the Danish capital is also one of the world's most popular congress destinations - complete with world-class design, architecture, dining, and cultural experiences Copenhagen is easily accessible with flight connections from all continents and **easy to navigate** once you arrive. Bella Center Copenhagen has its own metro station allowing for easy, affordable transport to the city center and multiple hotels.

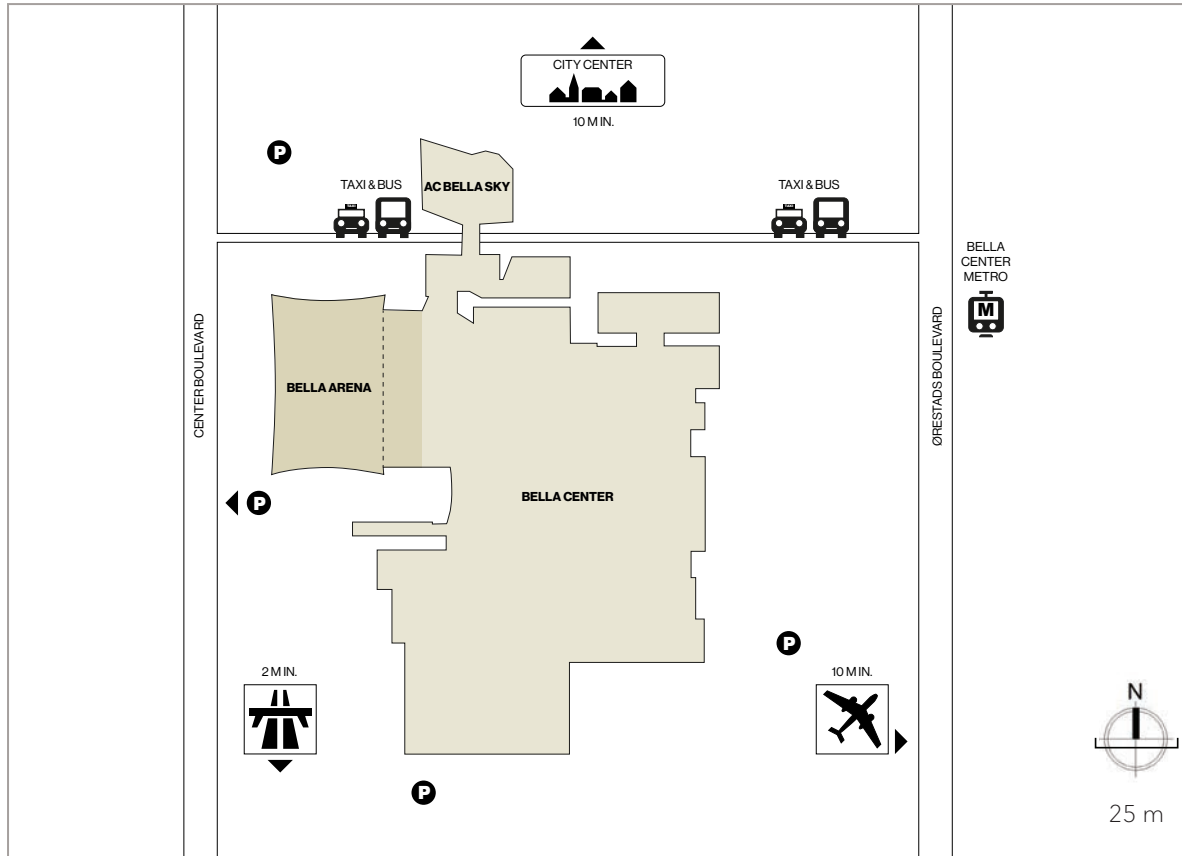

Bella Center and the **on-site AC Hotel Bella Sky** are at the heart of Copenhagen's newest neighborhood, Bellakvarter (the Bella Quarter). Just outside the Bella Center, there is a large recreational area of outstanding natural beauty, perfect for a stroll, a morning run, or a round of golf on the nearby royal golf course.

Close to the venue, you can shop in one of Scandinavia's largest shopping centers - Field's.

-  Metro: Bella Center Copenhagen to city center **9 min.**
-  Metro: CPH Airport to city center **12 min.**
-  Taxi: CPH Airport to Bella Center Copenhagen **10 min.**
-  Shuttle: CPH Airport to Bella Center Copenhagen **20 min.**

BELLA CENTER COPENHAGEN

As Scandinavia's leading venue, quality, efficiency, and flexibility are some of our top priorities.

Bella Center Copenhagen is a **flexible venue with multiple entrances**, which allows the space to be customized for every event. The venue offers **65,000 sqm. of event space** and can host up to 30,000 people.

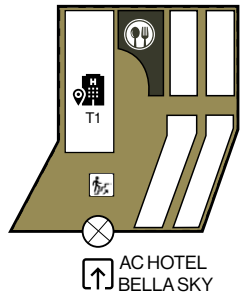

There are five halls, which can be used for exhibitions, plenaries, or other functions, along with the extensive foyer areas and balconies. The biggest plenary room can accommodate up to 7,000 people and another plenary room has space for up to 4,200.

Both plenary halls can be divided into smaller rooms, to suit the size and needs of each individual event. In total **100 meeting rooms** can be made available. All halls are conveniently placed on the ground floor with meeting rooms on both the ground floor and the first floor.

The halls of the Bella Center are located on the ground floor and have hosted numerous events such as scientific exhibitions, congresses, boat shows, car launches, parties, book fairs and more. Each hall has a unique look and feel.

Hall E has abundant natural daylight, a **glass ceiling of up to 25 meters** and tall green trees. Hall A is a black box with a carpeted floor, 9 meters to the ceiling – a good choice for keynote plenaries, exhibitions, and parties.

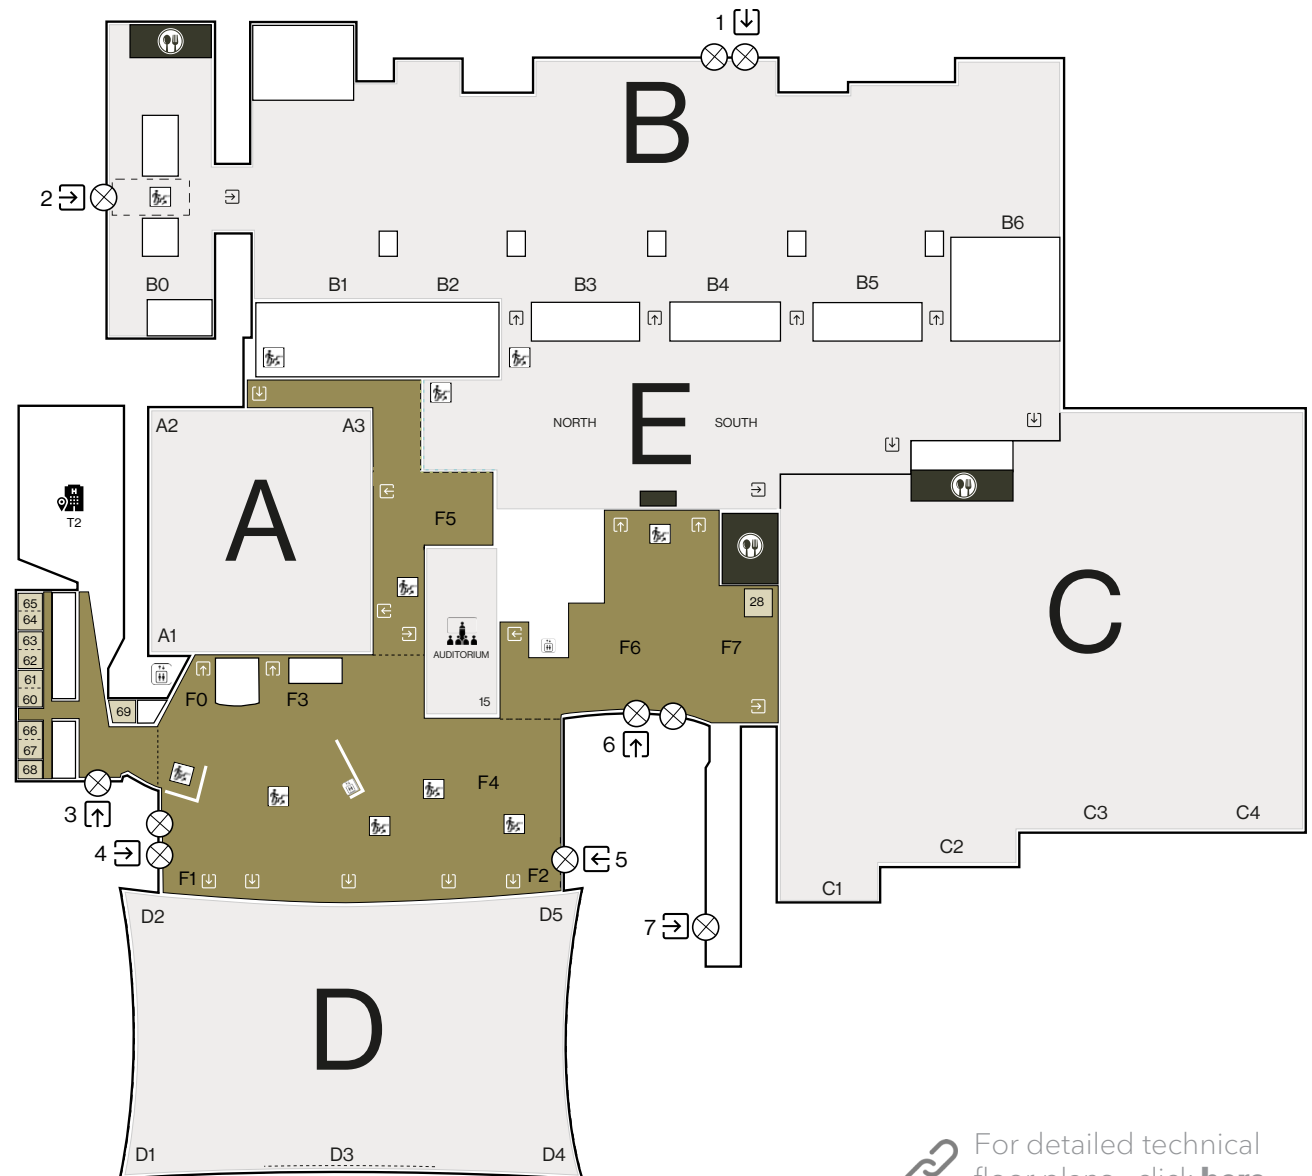

Hall D is perfect for impressive large-scale plenaries, parties, or exhibitions. It has a tile floor, a **12-meter ceiling height** and can be divided into five soundproof halls.

Hall B, with its industrial style and clean canvas, creates a flexible background for any type of setup. The largest space, Hall C is often the natural choice for **large exhibitions**, in combination with our flexible meeting rooms.

The spacious foyers give plentiful opportunities for **registration areas**, places to serve catering and hold standing receptions as well as combining with the halls - all on one floor. There are also many suitable places for branding materials and signage. **Multiple entrances** make simultaneous events possible without interference from one another.

Our permanent cafés are adaptable -although they have established concepts, you are not bound to these, their functions and menus can be adjusted to suit your event. We take great pride in serving **our own sustainable Orangu coffee** as well as a selection of hot and cold food with **locally sourced ingredients**.
