Welcome Address

Join EHRA in Vienna for EHRA EUROPACE – CARDIOSTIM 2017

EHRA EUROPACE – CARDIOSTIM 2017 promises to be a highly successful congress!

The EHRA Scientific Programme Committee has developed a compelling programme designed to provide attendees with the latest in science and education in the field of cardiac rhythm disorders and therapies.

During this four day congress, highly acclaimed scientific sessions will cover all aspects of pacing and electrophysiology. Delegates will also have the chance to discover new research, learn from world renowned experts and exchange with colleagues and peers.

Dedicated sessions for allied professionals, young electrophysiologists, and women in electrophysiology will be delivered and once again, the congress will be joined by colleagues from the ESC Working Groups on e-Cardiology and on Grown-up Congenital Heart Disease as well as the 41st Annual Meeting on Cardiac Cellular Electrophysiology.

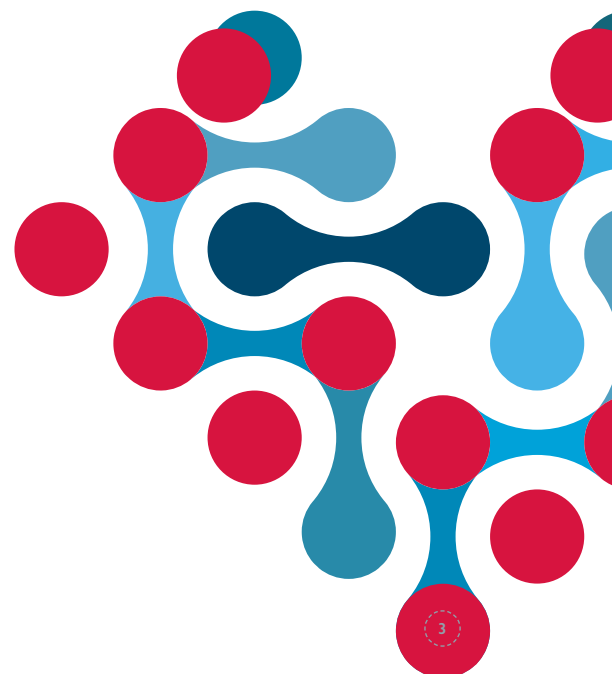

We look forward to welcoming you to the beautiful city of Vienna, and making this congress another success!

EHRA EUROPACE-CARDIOSTIM 2017 - Preliminary Schedule

Scientific Programme

Building upon the success of the EHRA EUROPACE - CARDIOSTIM 2015 congress and strengthened by the collaboration with Cardioslim, this year's congress will address a wide range of topics providing attendees with the latest in science and education in the field of cardiac rhythm disorders and therapies.

Delegates will benefit from the experience of experts through exclusive access to cath labs during four live sessions. In depth sessions will be proposed by the ESC Working Groups on e-Cardiology and on Grown-up Congenital Heart Disease as well as the 41st Annual Meeting on Cardiac Cellular Electrophysiology.

On top of this extensive programme, three summits will be running in parallel on the first day of the congress on: ventricular tachycardias, atrial fibrillation and lead management. Access to the summits is included in the registration fee and promises to be very attractive for our delegates.

As attendees are looking for the opportunity to learn through different session formats, the number of Debates, How-To sessions and Mobile app interactive voting sessions has been increased.

Scientific Programme – Main Topics

- Atrial Fibrillation (AF)
- Anticoagulation
- Traditional ablation
- Implantable Cardioverter Defibrillator (ICD)
- Cardiac Pacing (CP)
- Cardiac Resynchronisation Therapy (CRT)
- Lead management
- ECG and eCardiology (Cardiac arrhythmias, non invasive)
- Ventricular tachycardia ablation
- Pharmacology and cancer chemotherapy
- Basic electrophysiology
- Genetics
- Remote monitoring
- New implantable devices
- Arrhythmias in athletes
- Nurses, allied professionals, others
- ECG interpretation
- Paediatric / Pregnancy
- Registries and surveys
- Scientific documents and guidelines
- Young electrophysiologist / Women in electrophysiology

Industry @ EHRA EUROPACE - CARDIOSTIM

Industry partners work hand in hand with EHRA to offer delegates a congress rich in science and innovation. We gratefully acknowledge our partners of EHRA EUROPACE - CARDIOSTIM 2015 and look forward to working together again.

General exhibitor badges will not allow access to the scientific sessions of the congress except for the sessions sponsored by the exhibitor.

Scientific exhibitor badges will allow access to the scientific sessions of the congress.

Neither badge entitles the holder to get a congress bag, a certificate of attendance and does not include a journal subscription.

Price for additional general exhibitor badges: €100 excl. VAT

Industry Sponsored Sessions

Industry sponsored sessions allow for the review and discussion of recent trials and ongoing studies with the objective of providing the latest information on new therapies and techniques in cardiovascular medicine.

Satellite Symposia

Companies are cordially invited to attend a series of Satellite Symposia included in the EHRA EUROPACE – CARDIOSTIM 2017 scientific programme. These sessions will offer pertinent data on the latest scientific information and developments from the industry. Satellite Symposia will be held within the congress centre in lecture rooms ranging in capacity from 180 to 800 seats. A limited number of time slots have been made available for Satellite Symposia. Satellite Symposia organisers may coordinate receptions or distribute lunch boxes before or after the session. Satellite Symposia will be assigned in line with the accrued point ranking.

- I room hostess
- Access and use of audiovisual equipment in lecture room

Companies organising a non-exhibitor Symposia will be provided with an allocation of 10 scientific badges and 10 general badges.

Satellite Symposia - Experts on the Spot

These sessions will provide delegates attending or interested in Satellite Symposia with a further opportunity to question and exchange with topic experts in a concise and interactive format on the session content. The Experts on the Spot session will be 30 minutes long and will take place during the coffee breaks as follows:

			Price	Accrued points
Sunday 18 June 2017	15:45 – 16:15	30 mins	€6 000	2
Monday 19 June 2017	10:15 – 10:45	30 mins	€6 000	2
