### Organising Company

Applications for Exhibition Space must be submitted by the company under whose name the Exhibit will be entitled or by their representative agency.

### Appointed Agency

Companies should inform the ESC, in writing, what agency is appointed for which congress activity. Otherwise no requests from agencies will be taken into consideration.

This appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name.

It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.
