

**ESC Congress 2012
25– 29 August**

Poster Area Specifications

The ESC Poster Area is dedicated to research in the cardiovascular field and notably the transmission of the posters submitted and accepted for the congress. In a highly unique and innovative environment, delegates will browse the traditional poster display, listen to moderated posters and consult the e-posters and e-slides. This unique educational initiative and the surrounding area are available to an industry partner for exclusive exposure and association with the scientific content of the congress (acknowledgement on the Final Programme & online, sponsor logo displayed throughout the Poster Area and on the welcome page of computer screens)
