Subtenants and other Represented Companies

Sharing the allocated stand area with another company, regardless of whether this company is represented by its own staff (subtenant) or only by its own exhibits (represented company), is not allowed. This applies equally to companies with products or services aligned to a registered exhibitor. In such an instance, where a registered exhibitor wishes to exhibit in association with another organisation, the ESC will endeavour to offer additional exhibit space, where available, under normal conditions of sale.

Where an exhibiting organisation has multiple corporate identities but shared ownership, the organisational relationship must be made clear to delegates (e.g. a corporate ownership statement must be displayed on the stand).

Transfer - even in part - of the rights and obligations arising from the order to third parties is not permitted.

Value Added Taxation

Spanish VAT rules will apply for all exhibition sales. If the company is registered in another country within the EU, reverse charge procedure may apply. In this case the customer must auto reverse the VAT in their home country. Companies registered in a country outside of the European Union are encouraged to seek advice on reclaiming VAT payments.
