IMPORTANT: For carpet installation, we only permit the use of approved double-sided adhesive tape (100% removable). The remaining tape on the hall floor must be removed by the end of the event.

As per this document, the Exhibitor/Contractor company in charge of the booth build up and dismantle AGREES that, once the show is over, the booth area indicated in this document will remain clean and clear of any waste left behind. Waste disposal can either be order with the company Remondis (+49 89 949 24730), details please see attached form 7.2a, or the waste can be taken off the venue by the Exhibitor/Contractor.

Otherwise, Messe München will remove the waste left, invoicing the incurred cost to the Exhibitor.
