

ESC Congress 2018 Stand locator

Practical exhibition map

New opportunity:

A recent survey of ESC Congress delegates shows that a simple exhibition map could help them spend more time in the exhibition. In addition to tactile exhibition screens in each exhibition area, the ESC will print* practical maps of the exhibition stands, available to delegates in all three exhibition halls. This presents a new advertising opportunity for our partners with a back page advertisement space (280 x 297 mm).

Cost: 25 000€ for 15 000ex.

Exclusive item - No product advertising permitted

Deadline 2 July 2018

**Recycling facilities in place*
