

1. These General Terms of Contract for Exhibitor Services shall apply to the contractual relationship between exhibitors and Messe München GmbH. If exhibitors conclude direct contracts with Messe München GmbH's contracting companies, the terms of contract agreed between the exhibitor and the contracting company of Messe München GmbH shall apply.
2. In case of outside services, Messe München GmbH will pass on order forms, applications for permits, etc. to a contracting company or the responsible authorities. No rights or obligations shall arise for Messe München GmbH from this activity. If Messe München GmbH itself provides the services, it is entitled to use subcontractors. In the case of guest events, payment can be collected by the organizer concerned.
3. Messe München GmbH is not obliged to check information supplied by the exhibitor for accuracy or completeness. The exhibitor shall be liable in case of doubt.
4. All prices listed in these Order Forms for Exhibitor Services are net prices unless otherwise specified. Said prices are subject to VAT at the statutory rate.
5. Any objects rented to the exhibitor are intended only for the purpose agreed (for use at the exhibition stand for the duration of the trade fair) and for the length of time agreed (duration of the trade fair plus time for setting up and dismantling). The exhibitor is liable for damage to or loss of rented objects during the rental period. If the exhibitor's liability is conditional upon fault, he must prove that there was no fault on his part. The rental period begins with delivery to the stand and terminates on return or collection by Messe München GmbH or its subcontractors, even if the exhibitor has already left the stand. Exhibitors are advised to insure rented objects against theft for the duration of the rental period. The exhibitor will be charged at the replacement value for rented objects not returned. In case of damage, the repair costs will be charged if replacement is not necessary. The costs of delivery and collection of the rented objects are included in the rental fee unless otherwise stated in the relevant order form.
6. Messe München GmbH is liable for personal injury (injury to life, body or health) caused by neglect of duty for which Messe München GmbH, its legal representatives or employees are responsible, as well as for other damage caused by wilful or grossly negligent breach of duty by Messe München GmbH, its legal representatives or employees.

Messe München GmbH is also liable for any damage caused by negligent breach of cardinal duties by Messe München GmbH, its legal representatives or employees; cardinal contractual duties include obligations, the fulfillment of which is absolutely necessary for the due execution of the contract and the compliance with which the other contracting party must generally be able to rely on and trust in. In such cases Messe München GmbH is liable only if the damage concerned is typical damage and not consequential damage and only up to EUR 100,000 per claim. Vis-à-vis exhibitors Messe München GmbH is under no circumstances liable for damage to and loss of items brought to the fair by the exhibitor and stand equipment, whereby it is immaterial whether the damage or loss occurs before, during or after the fair. The same applies to vehicles parked by exhibitors, employees or persons appointed by the exhibitor at the exhibition center and on its grounds.

7. Online orders and/or orders on the order forms provided by Messe München GmbH (order forms for exhibitor services) are processed by Messe München GmbH if they are received by Messe München GmbH punctually, i.e. no later than the order deadline stipulated in the terms of order. Messe München GmbH may demand payment of a surcharge pursuant to the terms of order for any orders received after the order deadline. Messe München GmbH may provide its services via subcontractors.

Orders are subject to acceptance by the contractor. Acceptance may be given tacitly, i.e. by providing the service or product ordered. Acceptance of the order may be refused to exhibitors who have not fulfilled their financial and other obligations towards Messe München GmbH, also from previous events. If the exhibitor is not the invoice recipient, Messe München GmbH is entitled to withhold the exhibition services due for the event until the invoice recipient has fulfilled his financial and other obligations towards Messe München GmbH;

Messe München GmbH may inform the exhibitor about its claims against the invoice recipient, on account of whom Messe München has refused acceptance of the order.

The exhibitor has no entitlement to Messe München GmbH accepting orders from a co-exhibitor. The exhibitor has the option of ordering services in his own name from Messe München GmbH for the co-exhibitor. Messe München GmbH may point this option out to the co-exhibitor.

If the order is accepted, then the exhibitor must be provided with the service or product ordered in good time as to be available at the beginning of the trade fair. However, Messe München GmbH is entitled to withhold the exhibition services due, including the supply of electricity, water, compressed air, etc., which an exhibitor has ordered from Messe München GmbH, until the exhibitor has fulfilled his financial and other obligations towards Messe München GmbH, also from previous events. If the exhibitor is not the invoice recipient, Messe München GmbH is entitled to withhold the exhibition services due for the event until the invoice recipient has fulfilled his financial and other obligations towards Messe München GmbH; Messe München GmbH may inform the exhibitor about its claims against the invoice recipient, provided that the exhibitor would be affected by the exercise of the right to withhold performance as set out above. The collection of outstanding debts is permitted at the exhibition stand.

Notwithstanding any further provisions set out in the General and Special Terms of Participation of Messe München GmbH governing trade fairs and other events organized by Messe München GmbH, Messe München GmbH is entitled to demand a down payment on the service or product ordered up to the full amount of the agreed remuneration.

Instead of a down payment on the agreed remuneration, Messe München GmbH may raise an appropriate one-off advance charge for the exhibitor services it provides irrespective of the placement or scope of an order. The amount involved may depend, for example, on the size of the exhibition stand. The advance charge for services does not apply to stand construction services and publishing services (catalog entries, Internet services, etc.). The amount exceeding the advance charge for services will be invoiced to the exhibitor several weeks after the end of the event by way of the final invoice. Insofar as the advance charge for services exceeds the actual cost of exhibitor services incurred, the excess amount will be reimbursed to the exhibitor several weeks after the end of the event. The exhibitor is not entitled to payment of interest on the advance charge for services.

8. The exhibitor is entitled to cancel the services offered if the cancellation notice is received by Messe München GmbH prior to the expiry of the cancellation deadline pursuant to the terms of order. Should the cancellation notice be received by Messe München GmbH after the expiry of the cancellation deadline, the order is not considered to have been cancelled. In such case, Messe München GmbH is entitled to execute the order or not irrespective of whether it has already commenced with service provision on the stand. If it executes the order, the exhibitor has to pay the costs incurred for the order. If the order is not executed and service provision on the stand has not yet commenced, it may demand payment by the exhibitor of flat rate compensation of 10% of the costs incurred for the order. If the order is not executed and service provision on the stand has already commenced, it may demand payment by the exhibitor of flat rate compensation of 25% of the costs incurred for the order. The right of Messe München GmbH to demand further compensation remains unaffected. The exhibitor may demand a reduction in the flat rate compensation if he proves that Messe München GmbH only incurred fewer costs.

Amendment of an order may only occur in such a way that the exhibitor issues a cancellation notice for the services ordered he no longer needs (old order) and then places a completely new order for the services he still requires (new order). If the new order is received by Messe München GmbH after the order deadline stipulated in the terms of order, Messe München GmbH may demand payment of a surcharge in addition to the cost of the new order. The old order is considered to have been cancelled if the cancellation notice is received by Messe München GmbH prior to the expiry of the cancellation deadline pursuant to the terms of order. Should the cancellation notice be received by Messe München GmbH after

the expiry of the cancellation deadline, the old order is not considered to have been cancelled. The old order will then however no longer be executed by Messe München GmbH. If Messe München GmbH has not yet commenced with service provision on the stand, it may demand payment by the exhibitor of flat rate compensation of 10 % of the costs incurred for the old order. If Messe München GmbH has commenced with service provision on the stand, it may demand payment by the exhibitor of flat rate compensation of 25% of the costs incurred for the old order. The right of Messe München GmbH to demand further compensation remains unaffected. The exhibitor may demand a reduction in the flat rate compensation if he proves that Messe München GmbH only incurred fewer costs. Both for the old and the new order, the same provisions apply as for any other order.

9. Messe München GmbH is entitled to withdraw from the contract or cancel it without notice and collect or decline to provide the items or services it has provided or is supposed to provide, if exhibitors fail to meet their financial obligations arising from this contract and still fail to do so after Messe München GmbH has set them a period of grace of five days for fulfillment and this period has expired without result. If Messe München GmbH makes use of its right to withdraw from the contract or terminate the contractual relationship without notice, the exhibitor shall be liable for damages incurred by Messe München GmbH.

10. Invoices for services ordered and invoices for down payments are due for payment immediately upon receipt without deduction, specifying the customer number. They are payable free of bank charges in euros to one of the accounts stated in the invoice concerned.

For value-added tax reasons Messe München GmbH may only issue invoices to an invoicee other than the exhibitor or re-address invoices to an invoicee other than the exhibitor if the invoicee is the contracting partner of Messe München GmbH in respect of the services to be invoiced. If the exhibitor wishes the invoicee and not himself to be the contracting partner of Messe München GmbH, he may request the corresponding form from Messe München GmbH and complete it together with his legally binding signature and return it to Messe München GmbH. Messe München GmbH is not obliged to accept the invoicee named by the exhibitor and deviating from him as its contracting partner.

Insofar as Messe München GmbH has already commenced with service provision vis-à-vis the exhibitor prior to the receipt of this form, Messe München GmbH must invoice these services to the exhibitor.

If Messe München GmbH issues an invoice with German value-added tax (VAT) to an exhibitor whose registered office is located outside the Federal Republic of Germany, and if Messe München GmbH could have issued the invoice without VAT had the exhibitor provided the requisite information in good time, Messe München GmbH is entitled to charge the exhibitor a fee of EUR 50 for replacing the invoice issued with VAT by an invoice issued without VAT at the request of the exhibitor.

Should the exhibitor wish to have an invoice rewritten because the name, legal form or address of the recipient of the invoice has changed, the exhibitor is obliged to pay Messe München GmbH a sum amounting to EUR 50 plus VAT for each change of invoice unless the details in respect of name, legal form or address of the recipient of the invoice were incorrect on the original invoice and Messe München GmbH was responsible for the incorrect details.

Messe München GmbH is entitled to issue invoices in electronic format to the exhibitor instead of paper invoices. Electronic invoices are sent to the exhibitor by e-mail in PDF format. For this purpose, the exhibitor is to provide Messe München GmbH an electronic mail address, to which these electronic bills can be addressed (eBilling e-mail address). If possible, this eBilling e-mail address should be a non-personalized e-mail address of the exhibitor's accounting department. There is no legal claim to the issuing of electronic invoices. Messe München GmbH is under no obligation to comply with all country-specific requirements for the issuing of electronic invoices. Upon request of the exhibitor, which is to be submitted in writing, Messe München GmbH will issue paper invoices to the exhibitor. Messe München GmbH is entitled to send reminders and other requests for payment to the exhibitor by e-mail.

11. All the exhibitor's claims against Messe München GmbH arising from the stand rental, and all legal proceedings in connection therewith lapse after a period of six months. This period of limitation starts at the end of the month in which the closing date of the fair falls. Notwithstanding the provisions set out in Clause 12, any complaints about invoices are to be asserted in writing within a period of exclusion amounting to 14 days following receipt of the invoice concerned.

12. The exhibitor is required to check as soon as possible whether services provided for him have been implemented properly. In order to avoid loss of all claims, written notice of obvious defects must be given immediately.

If equipment, installations or exhibits belonging to the exhibitor are exposed to specific dangers or risks (e.g. damage due to the effects of temperature, humidity, vibration, pressure loss, voltage fluctuations, etc.) the exhibitor is responsible for taking the necessary protective measures. The exhibitor is required to draw attention in his order form / application to any specific dangers his equipment, fittings or exhibition wares could represent to third parties or to property belonging to third parties.

13. If the exhibitor defaults on his payment obligations, the amount due to Messe München GmbH, i.e. the payment on which the exhibitor has defaulted, is subject to interest to be charged at nine percentage points above the base rate from the point in time at which the exhibitor is considered to have defaulted on payment. Any further statutory rights to which Messe München GmbH is entitled if the exhibitor defaults on his payment obligations remain unaffected.

14. The place of performance shall be Munich.

15. Insofar as the exhibitor is a trader, a legal entity under public law or a special fund under public law or has no general place of jurisdiction in the Federal Republic of Germany, Munich is the agreed place of jurisdiction for all disputes arising from this contract or in connection with this contract. Messe München GmbH is also entitled at its discretion to assert its claims vis-à-vis the exhibitor with such court as is competent for the place in which the exhibitor has his registered office or branch office.

16. Personal data which is collected on or transmitted by the exhibitor may be used for the fulfillment of the business purposes of Messe München GmbH within the framework of the statutory data protection provisions.

Messe München GmbH and its affiliated companies, as well as its foreign representatives, are moreover entitled to use this personal data in order to inform exhibitors on a regular basis about the services provided by Messe München GmbH and its affiliated companies and foreign representatives by letter, e-mail, phone or fax. An overview of affiliated companies and foreign representatives, some of which reside outside the European Union (EU) and the European Economic Area (EEA), can be retrieved from our website [www.messe-muenchen.de](http://www.messe-muenchen.de) under the section "International".

The exhibitor shall establish the preconditions required under data protection law to enable the above uses by means of appropriate measures (e.g. obtaining consent of his employees).

The exhibitor is liable to Messe München GmbH for damages and expenses resulting from the infringement of this obligation and shall hold Messe München GmbH harmless from any third party claims upon first demand.

17. The additional terms in the order forms must be observed. In cases of doubt, the terms in the order forms shall prevail over the General Terms of Contract for Exhibitor Services.

The exhibitor also undertakes to observe—in addition to the Technical Guidelines—the regulations contained in the "Important Notes", which may be found right behind the index sheet of the Order Forms for Exhibitor Services.

## ■ Orders

The information and telecommunication services detailed forms 6.1 et seq. are to be ordered exclusively through Messe München GmbH. Orders are subject to acceptance by Messe München GmbH; this acceptance may also be implicit, e.g. in that the requested services are supplied.

The exhibitor is entitled to cancel an order for the information and telecommunication services detailed forms 6.1 et seq., either partially or entirely, on condition that notice of cancellation is received by Messe München GmbH no later than three weeks prior to the opening of the fair or event. In all other cases, the contract can only be revoked with the written approval of Messe München GmbH. Messe München GmbH is not obliged to grant such approval. Messe München GmbH will grant approval only on condition that the exhibitor pays 20% of the value of the contract (plus VAT) as a standard cancellation fee. If Messe München GmbH can provide evidence that the costs incurred were greater than the amount of the standard cancellation fee, then Messe München GmbH is entitled to invoice the exhibitor for the actual costs, rather than the standard cancellation fee. If the exhibitor can provide evidence that the costs incurred by Messe München GmbH were lower, then the standard cancellation fee may be reduced accordingly.

If the exhibitor wishes to modify an order for services after it has already been fulfilled by Messe München GmbH, in particular with regard to installations on the exhibition stand, then Messe München GmbH is entitled to charge a modification fee of **EUR 95.00** plus VAT for each modification, on condition that Messe München GmbH actually commits to carrying out the modification. An additional fee of **EUR 95.00** plus VAT will be raised on late orders received within 14 days of the exhibition stand assembly period commencing.

## ■ Period of availability

The information and communication services ordered will be made available for the duration of the trade fair in question, as well as for six hours before the beginning and six hours after the end of the trade fair. If provision of information and communication services is required outside this period, this additional availability must be ordered separately from Messe München GmbH. These services will be charged additionally.

## ■ Assignment

All products and services ordered will be provided by Messe München GmbH or its designated subcontractors and will be assigned to exhibitors on a rental basis. If an exhibitor uses his own terminal equipment this must conform to the legal regulations currently in force, including the valid EU directives applicable to terminal equipment and the CCITT Recommendations, especially CCITT Recommendation I430. The analog lines provided are PBX extensions with a dial tone that differs from that of the public telephone network.

If an exhibitor fails to comply with this obligation and malfunctions occur as a result, Messe München GmbH shall be entitled in particular to demand reimbursement of the costs of analysing the malfunctions and for fault clearance from the exhibitor. Messe München GmbH shall also be entitled to demand that the exhibitor immediately disconnects from the network the terminal equipment causing the malfunctions.

For Internet accesses the network cards used in the exhibitor's PC must conform to the Ethernet specifications (IEEE 802.3). The IP addresses applied for from the Messe München GmbH address range (Class C address) will be made available to the exhibitor with the order confirmation. The exhibitor may not under any circumstances use IP addresses other than those provided by Messe München GmbH or modify the prescribed subnet masks. If an exhibitor fails to comply with this obligation and malfunctions occur as a result Messe München GmbH shall be entitled in particular to demand reimbursement of the costs of analysing the malfunctions and for fault clearance from the exhibitor. Messe München GmbH shall further be entitled to exclude from the LAN any exhibitors who despite previous warnings use IP addresses other than those assigned to them or who use subnet masks other than those prescribed for them and to demand reimbursement of the associated costs. In the event of network functionality being attacked or other attacks being carried out, Messe München GmbH reserves the right to block the given connection on an either temporary or permanent basis.

If malfunctions occur in the PC of an exhibitor who has used IP addresses other than those assigned to him or has modified the subnet mask, Messe München GmbH will clear the fault at the request and risk of the exhibitor at the Messe München GmbH prices valid at the time of the trade fair.

At the request of the exhibitor Messe München GmbH will configure the PC, if this is technically and operationally possible, at the exhibitor's risk and at the Messe München GmbH prices valid at the time of the trade fair.

When using Internet connections (IP connections, ISDN, etc.), the unsolicited despatch of e-mails for advertising purposes (mail spamming) or unsolicited despatch of news for advertising purposes (news spamming) to third parties is prohibited. The exhibitor and other users are provided with permanent access to the Internet together with the Internet connection. As the data is transmitted in a transparent manner via this connection (as per RFC812 on OSI level 3), Messe München GmbH has no influence on the content thus transmitted and, as such, is unable to filter out any undesirable content that might impact on the usage of the Internet access. At the end of the contractual term, the IP address should no longer be used.

The customer (user) undertakes to neither offer information with illegal or immoral content nor to refer to offers with such content. This includes above all such content as serves the incitement of the people as defined under articles 130, 130a and 131 of the German Criminal Code, encourages criminal activity, glorifies or trivializes violence, is pornographic or suitable for use as pornography as defined under article 184 of the German Criminal Code, constitutes a serious moral risk for children or juveniles or compromises their welfare.

## ■ Service center

A service center has been set up on the exhibition site in case of faults. This service center can be contacted under the number +49 89 949 11666 during the following times:

- setup period: 08:00–18:00
- 1st day of event: one hour prior to event commencing through to end of event
- during the trade fair: in accordance with opening hours of the given event
- last day of event / 1st day of dismantling period: from start of event through to 20:00
- dismantling period: 09:00–14:00

## ■ Liability

The exhibitor will be invoiced for the cost of replacing lost or damaged terminal equipment. The manufacturer's list price shall apply in case of doubt.

Exhibitors bear the liability for the loss, damage or destruction of all communications equipment made available. If liability is conditional upon fault, it is the responsibility of exhibitors to provide evidence that they are not at fault.

As far as Messe München GmbH's liability is concerned, item six of the General Terms of Contract for Exhibitor Services of Messe München GmbH applies. If an order is received by Messe München GmbH later than five weeks prior to the opening of the fair or event, acceptance of the order does not imply that Messe München GmbH assumes any responsibility for the proper and timely fulfillment of service provision. In such cases, should Messe München GmbH fail to fulfill service provision or fail to fulfill it properly and on time, the exhibitor is only entitled to cancel the contract for the information and telecommunication services detailed overleaf, or to reduce the agreed remuneration accordingly. All further claims are excluded.

## ■ Call connections

Connections within the exhibition center network are free of charge.

Any services provided by external network operators (e.g. Deutsche Telekom AG) are subject to their terms and conditions of business and service specifications, and are a constituent part of the agreed contract.

## ■ Return of terminal equipment

Terminal equipment will be taken back by Messe München GmbH on the last day of the dismantling time at the latest. If in an exceptional case the equipment is not taken back, the exhibitor must return terminal equipment still in his possession to Messe München GmbH and obtain a confirmation of receipt. In cases of doubt this confirmation of receipt will provide proof of return.

## ■ Connection terms

All connections / equipment ordered will be provided exclusively by Messe München GmbH. The specified prices apply for provision in one-storeyed stands. In the case of multi-storeyed stands, the price for provision shall apply only for installation on the ground level. The connection will be provided from the allocated point of connection in the utilities conduit to the required location at the stand. The connecting line must not be more than 12 m long; this also applies to the structured cabling for the connecting cable to the LAN. The exhibitor is required to make allowance for this when planning the stand. An extension of this connecting line is available on request. A special order is required for an extension of the connecting line or provision in the upper level of multi-storeyed stands. Connections for telephone, fax, modem, EURO-ISDN and for 2 / 4 wire connections will be provided using the RJ45 connection system (according to EIA / TIA). Private terminal equipment can only be used on the EURO-ISDN and fax / modem connection. Fiber-optic connections (single-mode, multimode) use the E2000 connection system. For applications requiring a transmission speed of more than 2 Mbit/s and for services that can only be carried out on the basis of special orders, please contact our team of consultants to clarify the details early on.

Externally required communications connections may only be provided by the network operator as far as a central transfer point on the exhibition site stipulated by Messe München GmbH. The extension of these connections from the transfer point to the exhibitor's stand will be implemented exclusively by Messe München GmbH via the on-site network.

Ordering the external connection path up to the transfer point on site will be commissioned by Messe München GmbH. Services provided by the network operator will be shown and charged separately.

Messe München GmbH will coordinate the provision of the complete connection.

## ■ General Terms of Contract for Exhibitor Services

Messe München GmbH's General Terms of Contract for Exhibitor Services apply additionally.

## ■ General points to note concerning information and telecommunications services

### ■ Perfect connections for communicating with each other!

State-of-the-art ISDN telecommunications systems await you in Munich, virtually ensuring good business! Talk to us about the options available, so that you can communicate even better with your customers and interested parties.

### ■ Telephone / Telefax / Modem / ISDN

The Messe München GmbH exhibition center is equipped with state-of-the-art communications technology and via its comprehensive infrastructure with high-performance communications connections/facilities provides users with an optimum system for transmitting voice, data and image information.

The provision of voice communication services to the entire exhibition center is guaranteed thanks to a modern IP telecommunications system. In addition to LAN connections, fully-featured IP telephones, fax machines and WiFi routers, Messe München GmbH can also provide you with mobile (GSM/UTMS) telephones, subject to a charge, ensuring accessibility throughout the exhibition center. By dialling "0" to get an outside line, you can then autonomously access any telecommunications connection in the world.

At the same time, you can be reached by your national and international business partners directly, thus further enhancing your business contacts.

In conjunction with the telecommunications system, the end devices on your exhibition stand provide you with numerous service features that support effective communication:

- **fast connection setup** via state-of-the art technology and IP functionality
- **display options and menu-guided user information** for visual communication support
- **function/one-touch keys** for depositing frequently recurring functions (e.g. dialling head office via one-touch button)
- **open listening with fully featured IP devices**
- **consultation hold/transferring of calls** to other connections within your stand organization (to and from mobile telephones too) as well as to any connections within the exhibition center
- **dial repeat, call back function** (e.g. depositing a call-back request when line is engaged)
- **call transfer to another connection** (e.g. your exhibition mobile telephone so that you are not tied to one location)
- **group connection for several hard-wired connections**, multiple accessibility via one phone number, even when lines are engaged
- **electronic lock** for protecting end devices against unauthorized use
- **voice memory/voice box** integrated answer phone function for IP comfort devices and mobile telephones with the option of targeted querying. A caller who does not get hold of you immediately can leave a message for you there.

### ■ Broadband connection (TV)

A broadband communications network suitable for hyperband and offering blanket coverage is installed throughout the exhibition center enabling every exhibition stand to receive a wide range of TV programs.

Programs are transmitted using the PAL, B/G standard with adjacent channel allocation.

The antenna connections (BC terminal boxes) that can be obtained from us provide you with a selection of approx. 25 television programs. An overview of the available programs can be supplied on demand.

Any channels that do not automatically feed into the local network can be set up on request; such request constitutes a separate order and must have been placed with us at least 14 days prior to the trade fair commencing.

### ■ Internet

#### Part of life today and indispensable on your exhibition stand.

Search, find and print out news or product information, receive messages and stay in touch at all times by digital link. During trade fairs and exhibitions you can continue to have convenient access to the important information medium Internet and receive and send information by e-mail.

### ■ Internet service: economy access

Messe München GmbH provides the connection together with a dynamic/private IP address. Only the access code provided by Messe München GmbH can be used for accessing the Internet. The allocation of additional IP addresses is not possible!

- Internet access 4 Mbit/s, synchronous Internet connection incl. flat rate, dynamic/private IP address, one ethernet port/RJ45
- Internet access 8 Mbit/s, synchronous Internet connection incl. flat rate, dynamic/private IP address, one ethernet port/RJ45
- Internet access 16 Mbit/s, synchronous Internet connection incl. flat rate, dynamic/private IP address, one ethernet port/RJ45
- Internet access 25 Mbit/s, synchronous Internet connection incl. flat rate, dynamic/private IP address, one ethernet port/RJ45

### ■ Internet service: business access

Messe München GmbH provides the connection together with a fixed IP address.

Further IP addresses can be allocated subject to payment of a charge.

The usage charge for the duration of the event is included.

- Internet access 4 Mbit/s, synchronous Internet connection incl. flat rate, one fixed/public IP address, one ethernet port/RJ45
- Internet access 8 Mbit/s, synchronous Internet connection incl. flat rate, one fixed/public IP address, one ethernet port/RJ45
- Internet access 16 Mbit/s, synchronous Internet connection incl. flat rate, one fixed/public IP address, one ethernet port/RJ45
- Internet access 25 Mbit/s, synchronous Internet connection incl. flat rate, one fixed/public IP address, one ethernet port/RJ45
