

Lectern and Table Branding

During your industry session you can brand the lecterns and the tables with your corporate logo or approved agenda. In Hall 7.3 and 7.1 branding must be printed.

For the Hubs and Centre Stage the lecterns can be e-branded. On Centre Stage you have 7 brandable screens. Please inform us if you wish to do so and approve your branding with us. Bring your image on a USB stick to your booked session, 15 minutes prior the beginning of your session.
