Full technical specifications will be provided in due time.

Please contact [sponsorship@escardio.org](mailto:sponsorship@escardio.org) should you require further details.

# INSURANCE CONDITIONS

## Bicycle damage:

In the case of damage to the bicycles, the user must report it via the mobile application and the supplier will repair it.

## Theft:

In the case of theft, the supplier will check that the bicycle was locked via the mobile application. In this case the user will be insured. Otherwise the user will have to pay a fine (€500).
