DISCLOSURE OF CONFLICT OF INTEREST

- Declarations of interest will allow the audience to take potential conflicts of interest into account when assessing the objectivity of the presentation.
- The Congress Programme Committee requests faculty to declare all possible interest.
- The session organiser confirms that all Chairpersons/Speakers participating in their programme have fully agreed to provide the session organiser with all potential conflicts of interest that may arise from their presentations.
- The existence of potential conflicts of interest does not necessarily indicate a bias. However, it is our ethical obligation to inform organisers and participants so that they are made aware of any relationship that might cause unintentional bias. The disclosure of interest should detail existing relationship with the sponsor of the Tutorials or related organisations or companies.
- A potential conflict of interest may arise from various relationships, past or present, such as employment, consultancy, investments and stock ownership, funding for research, family relationship etc.
- Chairpersons/Speakers are requested to declare interest regarding their current presentation/topics on their first slide and provide the audience with necessary time to read this slide.

DISCLOSURE OF INFORMATION AND MARKETING:

- The ESC complies with EC directives, is registered under the data protection laws in France, and takes all reasonable care to prevent any unauthorised access to your personal data. Our ESC staff and contractors have a responsibility to keep your information confidential.
- The ESC does not sell, trade, or rent your personal information to others. We may supply your information to trusted ESC contractors to perform specific services. Otherwise, we do not disclose personal information to any other person or organisation without your consent.
- If you are a delegate at an ESC organised Congress or meeting, when you visit exhibiting company stands, presenting your badge may enable them to retrieve the following personal data: first name(s), last name(s), address, telephone, fax, email, and professional activity information.

PERSONAL DATA PRIVACY

The information collected in ESC Acute CardioVascular Care 2022 Scientific Session Form for Tutorials is subject to data processing to scientific program management. The recipients of the data are Industry Services Team, Presentation system provider. Data collected will be kept for until March 2022. Data will not be transferred to a third country. In accordance with the chapter 3 of the European Regulation 2016/679 with regards to data protection, you have the right to request from ESC, access to and rectification or erasure of your personal data or restriction of processing concerning your data or to object to processing as well as the right to data portability. For such, please contact dataprivacy@escardio.org (be aware that a proof of identity will be requested during the process via a secure web link). You have the right to lodge a complaint with a supervisory authority, and for information, ESC has appointed a Data Protection Officer that you can reach at dpo@escardio.org.
