RAFFLES CITY CONVENTION CENTRE
RULES AND REGULATIONS GOVERNING CONTRACTORS

The following rules and regulations apply to any companies directly or indirectly involved with RC Hotel (Pte) Ltd (herein referred to as the Hotel) in the execution of any contractual agreement on the premises of Raffles City Convention Centre.

Access

1. The Hotel agrees to permit the Contractor/Agent access to the Hotel for the purposes of effecting the services on the terms, conditions and regulations specified below.
 - 1a. Advance notice of the date and time of the set-up for the event should be given to the Catering Sales Department prior to arrival.
 - 1b. All goods and equipment are to be delivered and pick-up through Raffles City's loading docks area only, accessible from Beach Road. No goods and/or equipment whatsoever are to be carried through any other areas. Any materials and equipment delivered to the Hotel before the move-in day will be refused entry, unless communicated in writing. All non-commercial vehicles (private cars) will not be permitted to enter the above-mentioned area. All non-commercial vehicles will be required to access loading area through Raffles City's car park area via Stamford Road entrance and to park in the green zone for easy access to loading Dock 3. No passenger lifts are to be used to carry any equipment or goods.
 - 1c. All equipment / goods not requiring more than 32 square meters / 1600kg will be unloaded at loading Dock 2 between 0800hours to 1800 hours. All equipment and goods requiring more than the above mentioned dimensions will be required to unload at loading Dock 3. To use the cargo lift at Dock 3, prior arrangements to a lift operator have to be made at least 24 hours before delivery date / time at the following number 64316013.
 - 1d. Unattended vehicles will not be allowed to remain at all loading areas
 - 1e. All goods/equipments delivered through Loading Dock will be reported to the security officer for further direction upon entering Hotel premises. Please ensure that the organizers and Function Room names are produced to Hotel representative.
 - 1f. Only Loading Dock 2, Dock 3, service entrance and service elevators are to be used for the movement of any and all equipment and materials whatsoever.
2. **Setting-up And Dismantling**
 - 2a. The Hotel will not supply any goods, equipment or decorations with compliments to the contractors/agents with the exception of what had previously been agreed with the function organizers.
 - 2b. The use of nails, screws, double-sided tapes, pins, paint or any other materials that may cause damages or alterations to the Hotel property is strictly forbidden. The Hotel reserves the right to charge the contractors/agents for any damages caused by them.

- 2c. All forms of decorations installed must be removed from the building by the agencies before leaving the Hotel premises. Any material left behind and judged to be of no use will be disposed off by the Hotel at the contractor's/agent's own expense.
- 2d. Any requirements for storage of goods and/or equipment has to be channeled through the function office at 6431 6013. The Hotel reserves the right not to accept any goods/equipment for storage in the Hotel premises. The hotel will not be responsible for any mishap regarding equipment/goods belonging to the contractor/agent.
- 2e. When bulky items are required to be moved onto the Convention floor, the contractor/agent shall put up protective covers on all pillars and door frames which are along the route leading to the contractor's assigned area. Such cover can be requested from the Hotel, however the contractor/agent is still required to put them up and return them to the Hotel.
- 2f. All banners, props, backdrops and wall decorations shall be self-supporting suspended from the ceiling with approved method of installation. All signs or notices displayed shall be free standing. No signs or notices are to be affixed to pillars or walls.
- 2g. All large items are to be brought into the Hotel by trolley (self-provided). All trolleys must be well protected with rubber bumpers to prevent chipping and scratching of doors, doorframes and walls.
- 2h. Materials shall be placed on the floor and shall not be left leaning against the walls, windows, pillars, or wall panels. The marble floors and carpeted areas shall be well protected and no material should be strewn on carpets or the marble floor without adequate cover sheets.
- 2i. The contractor/agent shall apply for and obtain all necessary permits and authorizations from the relevant Government authorities before commencement of the services and works. The Contractor/Agent shall make available to the Hotel copies of all such permits and authorizations upon request by the Hotel.
- 2j. Drawings of layout plans and electrical works (in relation to [designate services] shall be submitted to the Hotel for approval at least thirty (30) days prior to the Move-In Day.
- 2k. Entering to a preliminary set-up venue before the actual time of the event is at Contractors and/or Event organizer's own risk. Contractors and Event Promoters shall indemnified and hold harmless to RC Hotels (Pte) Ltd doing business as Raffles City Convention Centre and its subsidiaries against any accident or injury claim while entering to the premises before the full banquet step up is completed for the event.
