If, for any reason, ESC Preventive Cardiology 2020 has to be cancelled, the ESC will refund to the Industry the sum paid to the ESC for contractual commitments less 25% as administrative fees (including preparation cost, overhead, cancellation insurance cost..).

Subtenants and other Represented Companies

Sharing the allocated stand area with another company, regardless of whether this company is represented by its own staff (subtenant) or only by its own exhibits (represented company), is not allowed. This applies equally to companies with products or services aligned to a registered exhibitor. In such an instance, where a registered exhibitor wishes to exhibit in association with another organisation, the ESC will endeavour to offer additional exhibit space, where available, under normal conditions of sale.

Where an exhibiting organisation has multiple corporate identities but shared ownership, the organisational relationship must be made clear to delegates (e.g. a corporate ownership statement must be displayed on the stand).

Transfer - even in part - of the rights and obligations arising from the order to third parties is not permitted.

Value Added Taxation

Spanish VAT rules will apply for all exhibition sales. If the company is registered in another country within the EU, reverse charge procedure may apply. In this case the customer must auto reverse the VAT in their home country. Companies registered in a country outside of the European Union are encouraged to seek advice on reclaiming VAT payments.

This Order subjects the signatory to the full respect of the Guidelines for Industry Participation and the Payment Terms of this order. Failure to respect the Industry Guidelines or Payment Terms may result in the Exhibitor being refused entry to the exhibition without refund.
