Power supplies

(price for the duration of the event)

Whatever the layout of the exhibition you are participating in, your stand could be provided with a power supply. Each supply is for a single stand only (fire safety standards to comply with the order of 25th June 1980).

The power supply service provided by the Lyon Convention Centre is limited to supplying electrical power to a switch-box located on your stand. **Any special installations from the switchbox are carried out under the exhibitor's sole responsibility, either by the exhibitor or a company of the exhibitor's choice.**

Please indicate on the plan enclosed with your order form where you would like your switchbox. Supplying power to the switchboxes is the Lyon Convention Centre's sole responsibility.
