Observaciones

Observations

- Todos los servicios o modificaciones que se deseen introducir a partir de estas características correrán a cargo del expositor.
- La distribución de todos los elementos que componen el stand, los extras solicitados, así como los elementos estructurales necesarios para la sustentación del stand, se tratarán de adaptar a las necesidades del expositor, siempre y cuando sea factible técnicamente y se reciba el plano con las indicaciones pertinentes quince días antes, como máximo, del primer día del comienzo del montaje.
- Una vez realizado el montaje del stand, los cambios de ubicación de todos los elementos que no hayan sido comunicados en la fecha establecida serán facturados.
- La eliminación, por parte del expositor, de algún elemento formativo del stand prefabricado no implica reducción del coste.
- Todo el material utilizado, tanto estructural como eléctrico, está en régimen de alquiler y cualquier deterioro se facturará según tarifa en vigor.

- All services or modifications that you wish to add or make to these basic features shall be at your expense.
- As much as possible, we shall try to adapt to the exhibitor's needs the layout of the elements that form the stand, the additional ones, as well as the structural ones that are necessary for the support of the stand, if it is technically possible and the plan is received with the pertinent instructions no later than fifteen days before the beginning of the assembling period.
- Once the stand has been assembled, changes in the location of any of the elements previously described, and of which the Management has not been notified, shall be billed.
- The elimination, by the exhibitor, of any element of the prefabricated stand shall not mean a reduction in its cost.
- All the materials used, both structural and electrical, are rented, and therefore any deterioration of them shall be billed at current rates.

Conditions

- See technical characteristics of assembly in the corresponding brochure attached.
- Prefabricated stands, unless otherwise indicated in the contract material of the exhibition, will be handed over in an assembled form at 8.30 am., one day before the start of the fair.
- The service will be performed as a hire. Unless indicated expressly, the charges for the services comprise the price for each day and hour the exhibition is open to the public. IFEMA offers a wide range of materials and resources, with sufficient capacity to respond to the needs of exhibitors. However, IFEMA reserves the right not to provide services if available stock or resources are already contracted.
- For the correct placing of materials and supplies, it will be essential to send a map showing their desired location, one month before the start of the exhibition, to fax number: 91 722 51 27 or by e-mail: stecnica@ifema.es. If this is not received, it will be carried out according to IFEMA criteria. The distribution of all the elements comprising the stand, the extra parts requested, together with the structural elements needed to support the stand, will attempt to adapt to the needs of the exhibitor, whenever technically feasible.
- Accessories are exclusively for the stand included in this request and their measurements are approximate.
- Nailing or glueing the panels is totally prohibited. Any imperfections, loss or other anomaly in the elements will always be charged to the exhibitor.
- This service may only be requested for stands situated within the halls.
- All the services or alterations which are introduced in addition to the characteristics provided, will be charged to the exhibitor.
- The elimination, on the part of the exhibitor, of any component of the prefabricated stand does not imply a reduction in cost.
- All the material utilised, both structural and electrical, is for hire and any deterioration will be billed at the current rate.
- IFEMA has a wide offer of materials and resources, with sufficient capacity to respond to exhibitors' needs. However, IFEMA reserves the right not to provide services if available stock or resources are already contracted.
