2. Access

EUROECHO 2010 will be held in the **Bella Center Copenhagen**, Denmark

There are various car parks around the Bella Center Copenhagen. The parking dedicated to cars and mini vans is P5 and is clearly marked on the Loading Access Plan.

Trucks can be parked for the duration of the congress near the South Gate.
3. Build up and Break Down

Cars and forklifts cannot be driven into the exhibition hall. Always park your vehicle in the allotted space outside. Space is limited – as soon as you have unloaded, please move your vehicle away from the unloading area. On arrival, drivers should report to uniformed staff from FAIREXX, the Official ESC Logistics Provider, to obtain a Working Pass. This pass carries the name of the individual, company and booth number and needs to be carried at all times during the build up/break down.
