INFORMATION

1. The technical specifications of machines requiring individual water connection must be sent to HUNGEXPO C.Co. Ltd. 2 weeks prior to the first construction day of the event. Special water-drainage connection requirements should be ordered separately. Pressure in pavilions is 0.2 Mpa (2.0 bar) and is available through outlets before the central pressure reducer.
2. +15% supplementary fee is charged for orders made within three weeks before the first construction day of the event (after 11th November 2011).
3. +20% supplementary fee is charged for orders made on-site. For orders received after the deadline, HUNGEXPO C.Co. Ltd. can not guarantee the service in time.

4. The exhibitor can not refuse utility connections for the neighboring stands, or leading these through his stand.
5. The exhibitor is obliged to ensure the accessibility of the floor shafts by cutting the cover, the structure, etc. and by leaving free the places of the connections. If failing this obligation or hindering the works of connecting to the utility networks and works of correcting errors the exhibitor has to assume the liability.
6. We do not take guarantee for the quality of water!
7. The water connection ordered will be provided by a contractor hired by HUNGEXPO C.Co. Ltd. as a transferred service and the costs will be invoiced accordingly to the Inrush permit.
