Appendix: EUROPACE 2009 Pre-arranged Programme ......................................................... 26
Dear Industry Partners,

After an extremely successful EUROPACE Congress in Lisbon last year, it is with great pleasure that the European Heart Rhythm Association (EHRA) invites you to discover the Industry Prospectus for EUROPACE 2009, 21 - 24 June, in Berlin, Germany.

The scientific programme committee, led by Professor Martin Schalij has for one of its aims, to provide a comprehensive programme that extends from research sessions to hands-on practical courses. Basic science will be included in the programme and most recent clinical trials will be presented and commented. The programme will provide an extensive curriculum covering diagnosis and management of arrhythmias, including use of drugs and devices.

In the following pages, you will find numerous offerings for Industry participation and association with EUROPACE 2009:
- Exhibition stands to showcase your products, services and activities to around 3 000 delegates from more than 45 different countries
- Satellite symposia to ensure your contribution to the outstanding EUROPACE scientific programme
- Sponsorship and promotional opportunities to highlight your company profile online, offline and throughout the congress centre in Berlin

In order to maximise your pre-event planning, strategic objectives and return on investment, we have included facts and figures from previous editions of the EUROPACE congress.
We are also very pleased to inform you that exhibition, sponsorship and advertisement prices will be consistent with those of 2007 and 2005.

Last but not least, we invite you to take a look at new items which have been developed to maximise your participation and visibility at EUROPACE 2009 in Berlin. More so than ever before, cardiology arrhythmias and electrophysiology requires modern clinicians and researchers in the field to be able to deal with various applications and using state-of-the-art workstations becomes mandatory. At EUROPACE 2009, "The PACE", the EUROPACE Workshop Area will focus on insight and experience in a range of powerful workstation applications. Delegates will have the opportunity to come and see the future in cardiology arrhythmias and electrophysiology training and test improve their knowledge!

With all this in mind, on behalf of the EHRA executive board, Professor Martin Schalij, and Professor Wilhelm Haverkamp, our local host, we look forward to an exceptional EUROPACE congress 2009 in Berlin, and the continued support and collaboration from our Industry partners.

For any queries on the planned participation of your company at EUROPACE 2009, please contact our Industry Services Department, at sponsorship@escardio.org.

Looking forward to seeing you in Berlin,

Professor Josep Brugada
President, EHRA
EUROPACE has now established itself as the foremost European meeting on cardiac arrhythmias and pacing. The increasingly strong international attendance confirms that interest in EUROPACE now reaches far beyond our Europe borders.

**EUROPACE Fast Facts**
- 3,000 active delegates in the same location
- 110 scientific sessions selected by the scientific committee
- 2 main themes at EUROPACE 2009: Atrial Fibrillation and Sudden Cardiac Death
- Around 1,000 abstracts submitted
- 8 lecture rooms running in parallel
- A variety of novel industry sponsored sessions
- More than 1,000 m² of commercial exhibition
- A selection of relevant sponsorship & advertising opportunities

**EUROPACE 2009 Format**
The Programme Committee has planned an exciting programme on rhythmology advances and issues, which will be explored through a variety of session formats:
- Abstracts,
- Awards,
- Debates,
- How to and Meet the Expert sessions,
- Main sessions,
- Posters and Moderated Posters,
- Satellites Symposia, etc
- Symposium,
- Teaching,
- The Pace, EUROPACE Workshop Area, etc.

Industry activities at EUROPACE 2009: Description

Your company and your products and services will be associated with, and will contribute to the high quality content of the EUROPACE 2009 Congress.

Sponsors of EUROPACE 2009 will:
- Reach an international audience of clinicians and researchers in the field of cardiac arrhythmias and electrophysiology
- Gain association with, and contribute to, the high quality scientific content of the EUROPACE Congress
- Avail of unique opportunities to showcase their cardiac products, technologies and services to specialists in their field through Exhibition stand activities, Satellite Symposia, and other forms of congress participation.

Encouraged by the success of industry participation at previous editions of EUROPACE, we welcome all companies to consult the following pages to discover all existing products, corresponding descriptions including prices and commence their participation at EUROPACE 2009. *** Photos are not contractual ***

We will be pleased to consider additional sponsorship initiatives and suggestions (please contact our Industry Services Department, at sponsorship@escardio.org)

All prices listed within this document are exclusive of VAT
• Payment in Euro (€) only

Sponsors recognition: In addition to the manner of recognition shown below, sponsors will be acknowledged in all EUROPACE printed material and on the EUROPACE Web Site.

We are also very pleased to inform you that exhibition, sponsorship and promotion prices are stable and consistent with those of 2007 and 2005.

The following products & services are presented under 4 different categories:

1- **Exhibition:**
Showcase your products, services and activities to around 3,000 delegates from more than 45 different countries

2- **Satellite Symposia, Abstracts CD-ROM Sponsorship, The PACE, Featured Poster Session Sponsorship, Unrestricted Educational Grants:**
Ensure your contribution to the outstanding EUROPACE scientific programme

3- **Sponsorship & Promotion:**
Highlight your company profile online, offline and throughout the congress centre

4- **Hospitality Suites:**
Welcome your delegates to EUROPACE 2009 & Organise your meetings
1. **Exhibition: Showcase your products, services and activities to around 3,000 delegates from more than 45 different countries**

**Exhibition Space**

The Exhibition will be held in the Main Lobby and Central Lobby on level 1; all participants will walk through this Exhibition area to go to the lecture rooms and poster sessions. **The stands will be assigned on a first come, first served basis.**

Guidelines for Exhibitors, giving full details, will be sent upon request and an Exhibitors Manual with order forms will follow in due course.

**Price for space only:** €500 per m²  
**Price for Publishers** €350 per m²  
**The minimum exhibition space is 9 m²**  
(6 m² for publishers and booksellers)

**Exhibitors Badges**

Exhibitors are entitled to a certain number of free badges. The number of free badges for each Exhibitor will be determined according to the floor space allocated as shown below.

Exhibitor badges will give access to the scientific sessions when space is available only. To be sure of having a seat in the lecture full registration is recommended.
2. **Ensure your contribution to the outstanding EUROPACE scientific programme**

**Satellite Symposia**

Participating companies may organise special scientific sessions, at dedicated time slots, called Satellite Symposia. These industry organised sessions are the perfect forum through which companies may reach their target audience with their latest scientific information and developments. Satellite organisers may organise receptions before or after Satellite Symposia. Lunch boxes may also be distributed before or after the Satellite Symposia.

**In order to hold a Satellite Symposium, an Exhibition Stand of 9 m² minimum is required.**

Satellite Symposia will be held within the Congress centre in lecture rooms ranging in capacity from 250 to 800 seats. Satellite Symposia Programmes will be published in EUROPACE Final Programme and on the EUROPACE Web Site.

---

**Price of a 60/90 minutes session: € 35,000 per session, room rental included**

**(10% discount on 2nd symposium)**

- A limited number of time slots have been made available for Satellite Symposia (60 min. at lunchtime / 90 min. in the afternoon-evening):
  - Sunday 21 June: 16:00-17:30 & 18:00-19:30
  - Monday 22 June: 12:45-13:45

- 1 Satellite Symposium (60/90 min, room rental included)
- 1 Delegate Bag Insert inserted in all the congress bags (*on-site visibility*)
- 1 Weblink on the EUROPACE official Web Site (*online visibility*)

**Price of satellite PLUS package:** **€38,000**

**(instead of €42 000)**
More so than ever before, cardiology arrhythmias and electrophysiology requires modern clinicians and researchers in the field to be able to deal with various procedures/applications and using state-of-the-art workstations is becoming mandatory. Each year, new techniques and applications are developed. Clinicians and end-users not only have the responsibility to deliver quality work to their patients, they also have the responsibility to comprehend and apply the latest programmes / options/ fine tuning of these new technologies.

“The PACE”, EUROPACE workshop area is a new initiative that is also a joint collaboration between EUROPACE and our industry partners for educational learning. This campus will provide supporting companies with a unique means of associating with the educational requirements of delegates in an exclusive, and intimate, environment to showcase their equipment/technologies (through the equipment itself but also through demos, simulators, etc)

Format of “The PACE”, EUROPACE Workshop Area:
- 33 m² rooms (including electricity, cleaning, 2 tables & chairs , 2 desks with drawers), close by the Exhibition Area, in a designated area for ease of access and quietude to visiting delegates, but to be considered as complimentary to and part of the Exhibition as far as Industry showcasing their products and applications is concerned.
- Open for the entire duration of EUROPACE 2009 (during Exhibition Hours only) your company will benefit from the opportunity to showcase your latest technologies, applications and systems available to your target delegate group reach.
- Participants could be instructed how to perform key procedures under supervision, the state-of-the-art equipment/workstations would be set up and available for delegates to come freely to test the equipment, ask questions, meet with specialists, etc.
- Participants could also work on dummies/medical simulator machines to learn how to perform procedures, and for the more experienced, how to improve their personal performances in different clinical scenarios.

By the end of EUROPACE 2009, the participants should have gained a better understanding of the main medical procedures and have performed the theoretical procedures on equipment/simulators as it would have been done on human patients.
Participants should be able to judge the relative merits of the technology, by comparing different solutions.

Promotion:
As an official activity of the EUROPACE 2009, “The Pace”, the EUROPACE workshop area and their supporting industries would be acknowledged throughout EUROPACE communications (online, print, on-site). EUROPACE delegates would be invited to visit "The PACE", EUROPACE workshop area, to learn more about new equipment and techniques in cardiology arrhythmias and electrophysiology.

Centrally located, the PACE will be visible when going to the Exhibition area, from the Exhibition itself, and from the registration area ensuring maximum visibility to the sponsors.

Price of “The PACE” room for the entire duration of EUROPACE: €10,000
Customised Abstracts CD-ROM

A searchable CD-ROM including all the EUROPACE accepted Abstracts.

**NEW this year:** in addition to the abstracts, the company will have the possibility to include on the CD-ROM a gallery presenting, for example, the slides presentation of its satellite symposium. A voucher will be inserted in all delegate bags to invite delegates to visit the company’s stand in order to pick up the Abstracts CD-ROM.

**Life-span:** Congress permanent archive/reference material.

Price of Customised Abstracts CD-ROM support: €15,000

“Featured Poster Session” Sponsorship

On the occasion of the Opening Cocktail, on Sunday 21 June 2008, from 1:00 pm to 2:00 pm, the 50 best posters will be acknowledged and available for discussion.

This educational initiative may be sponsored by a company.

Benefits to the sponsor:
- Acknowledgement of the associating company on EUROPACE 2009 Web Site
- Acknowledgement in the EUROPACE 2009 Final Programme
- On-site recognition using company logo/name

Price of “Featured Poster Session” sponsorship: €8,000
Companies can have their name associated with certain sessions of the official scientific programme of EUROPACE 2009, or a designated aspect thereof, on the following guideline.

- An Unrestricted Educational Grant will imply an association, by Industry, with an aspect of the Scientific Programme, not influenced by the supporting company by means of speaker suggestion, topic proposal or other such involvement. The support of a scientific session in the form of an Unrestricted Educational Grant implies the acceptance of the EUROPACE Committee to permit our industry partners to associate in name only with a session already defined, in full, as part of the EUROPACE scientific programme.

- In supporting the session, the company will be recognised as follows:
  - By the following phrase wherever the session is detailed on any EUROPACE 2009 programme: “Supported by ‘Company X’ in the form of an Unrestricted Educational Grant”.
  - Under the “Industry Partners” heading in the EUROPACE 2009 Final Programme, both printed version and online.

Grant per session: €10,000

Forthcoming EUROPACE Guidelines for Industry Participation
The EUROPACE 2009 Guidelines for Industry Participation will be released to Industry over the coming weeks. Therein you will find listed:

- Exhibition Guidelines and Procedures
- Satellite Symposia Guidelines and Procedures
- Educational Grant Information
- Registration and Accommodation references and contacts
- Related Terms and Conditions

Industry Terms & Conditions
All Terms and Conditions will be detailed in the forthcoming Guidelines for Industry Participation for EUROPACE 2009.

Applications forms for Exhibition Stand Space, Satellite Symposia & Sponsorship
All Exhibition, Satellite and Sponsorship forms should be completed, signed and returned as soon as possible ("first come, first served"). Returning a signed application form implies a tacit agreement of the EUROPACE 2009 Guidelines for Industry Participation.

Should you require any further information regarding the application process, please contact us at sponsorship@escardio.org.
**Additional Information**

**Journal**
Participants paying the Standard Fee will receive a two years subscription to the Europace Journal 2010 & 2011.

**Registration Service**
Don't miss key registration dates!

- **15 April 2009:** Early fee deadline
- **18 May 2009:** Pre registration deadline
- After 18 May 2009: On-site registration in Berlin

Participants will be able to register on www.escardio.org/EUROPACE using MyESC Registration Service or by filling in the official registration form which can be downloaded.

For questions about registration, please contact the Registration Department:
Email: EPregistration@escardio.org

**Hotel Reservation Service**
The ESC has reserved rooms in various price category hotels in Berlin. The ESC has appointed K.I.T. Group as housing agency and recommends that all bookings are made through this agency. Their contacts are: K.I.T. GmbH, Association & Conference Management Group & Co. KG, Kurfürstendamm 71 – 10709 Berlin – Germany. Tel.: +49 (0)30 24 603 214 – Fax: +49 (0)30 24 603 200. Email: europace2009hotels@KIT-group.org. Requests for Individual Hotel and Group will be handled on a “first come-first served” basis.

- Cardiac resynchronisation therapy: stepwise approach of coronary sinus cannulation and placement of the left ventricular lead ([Cardiostim Pre-taped session](#))
- Leads: the weakest link? ([Cardiostim session](#))
- Anatomical Lessons: translate CT/MRI in a real 3D world
- Retac group: electrophysiological studies and catheter ablation
- [Oral Abstract session](#)

16:30 - 18:00
- Minimal invasive atrial fibrillation ablation
- NAMED LECTURE
- Asymptomatic patients with a supraventricular or ventricular extrasystole
- Cardiac resynchronisation in patients with atrial fibrillation ([Cardiostim Meet the Experts session](#))
- Lead extraction ([Pre-taped session](#))
- Controversial issues in sports cardiology ([Debate](#))
- [Oral Abstract session](#)

18:00 - 19:30 Evening Sessions
- Ask the experts on atrial fibrillation
- Targeting sudden cardiac death
- Unravelling the electrocardiogram ([Meet the Experts session](#))
- Reporting device failures
- Reimbursement system in Europe
Tuesday 23 June 2009
08:30 - 10:00
- Outcome of atrial fibrillation ablation: assessment of success
- Early ventricular tachycardia ablation in implantable cardioverter and defibrillator patients Y/N
- Monitoring the patient with syncope
- Update on imaging in cardiac resynchronization therapy
- From anatomy to ablation in congenital heart disease
- Controversies in recent guidelines: the good, the bad and the ugly
- Echo workshop in cardiac resynchronisation patients
- Oral Abstract session

11:00 - 12:30
- How to treat atrial fibrillation in athletes
- Tachycardiomyopathy in ventricular extrasystole: chicken or egg
- Risk assessment in rare cardiomyopathies
- Follow-up of devices (Cardiostim Main session - allied professionals)
- Oral Abstract sessions

12:45 - 13:45
- Satellite Symposia

14:00 - 15:30
- Targeting the substrate of atrial fibrillation
- Use of non invasive risk stratification in sudden cardiac death (Zoom-in session)
- Flash session
- Image fusion in the cathlab (Main session - allied professionals)
- Oral Abstract sessions

16:30 - 18:00
- Drug treatment of atrial fibrillation: new insights
- Sudden cardiac death prevention (How to session)
- Hot Line session
- Ask the experts in implantable cardioverter and defibrillators/resynchronization devices: troubleshooting
- Ongoing trials in pacing (Cardiostim session)
- Oral Abstract sessions

18:00 - 19:00
- General Assembly and Awards Ceremony

Wednesday 24 June 2009
08:30 - 10:00
- Molecular basis of atrial fibrillation: clinical consequences
- Targeting ventricular fibrillation and mechanisms of ventricular fibrillation
- Risk stratifying channelopathy patients update on indications (Meet the Experts session)
- Cost effectiveness in electrophysiology (Main session)
- Oral Abstract sessions

11:00 - 12:30
- Tough to get supraventricular tachycardia ablation
- Electrical storm: keep quite (Main session)
- Complex electrocardiogram: ventricular tachycardias (Teaching course)
- Computer simulation: from channels to arrhythmias
- Heart Failure monitoring: role of devices (Cardiostim session)
- Genetic screening: role of devices
- Oral Abstract session

### Terms and Conditions

1. **Organising Company**
   Applications for Satellite Symposia sessions must be submitted by the company under whose name each session is to be organised. We would like to draw your attention to the fact that the correspondence for the above items should be made exclusively between this company and the EUROPACE Secretariat. The company is responsible for communicating any relevant documents to its staff and its appointed agencies.

2. **Appointed Agency**
   Companies should inform the EUROPACE Secretariat, in writing, what agency is appointed for which symposia. Otherwise no requests from agencies will be taken into consideration. This appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name. It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.

3. **Cancellations**
   Cancellation of a Satellite Symposium should be sent by registered mail to EUROPACE Secretariat. If a reservation is cancelled before 17 March 2009, 50% of the total amount due will be charged. Any cancellations received after 17 March 2009 will incur a 100% cancellation fee.

4. **Data Protection Disclaimer**
   “You have personal data which is, according to the Law on data processing and Civil Liberties 78-17 of 6 January 1978, registered with the ESC. You have the absolute right to access, amend and oppose any use of this personal data by contacting (in writing) the ESC National Society and Member Relations Department at the above-mentioned address. Unless otherwise informed, the ESC may send you information about its activities from time to time.”

### Agreement

I hereby agree to be bound by the above terms and conditions for Satellite Symposium Application.
