- 2 Coffee shops
- Mini market that will meet your daily needs
- Delivery services to your stand
- Two open-air lounges where light lunches, cocktails & coffee breaks can be arranged during or at the end of each congress day, with the attentiveness of Dill SA (Aria Gefseon).

### Outside the exhibition area:

Unique venues adjustable to your requirements create superb scenery for any type of event you wish to organize. All venues are within easy access and with comfortable parking space and services.

## **EXCLUSIVE VENUES**

**DREAMS at Vouliagmeni Lake.** Organize your event in the renovated venue of "Dreams" at "Vouliagmeni Lake", a truly natural setting that escapes the norm of ordinary venues, at short distance from the center of Athens. This is Vouliagmeni Lake with its stunning and enchanting natural scenery, protected from the winds, able to lock your gaze and transform your event. Its mysterious grandeur and unpretentious beauty of the Lake make "Dreams" unique. Your event will take place under the grandiose towering cliffs, in a space surrounded by greenery and embraced by the serene waters of the Lake that create a unique atmosphere of personal paradise.  
(Cocktail up to 600 people. Seated up to 400 people)

**ISLAND C-LOUNGE.** This is the absolutely perfect place for business lunches or dinners, as well as for memorable cocktail and private parties. Its unique and original décor harmoniously combines Philippe Stark's minimal furniture and fixtures with collectible ethnic pieces from exotic countries such as Africa, Bali, India and Sri Lanka, creating a mysterious ambiance in the space.  
(Cocktail up to 150 people. Seated up to 100 people)

**ISLAND PRIVATE HOUSE.** The Mediterranean meets contemporary design in a space that has great potential for organizing both business meetings and conferences, as well as for holding personal receptions. The Private House offers versatile facilities and a sophisticated audiovisual media system (laptop, video projector, flat screen, satellite TV, DVD Player, ISDN telephone lines, Internet Access, Wireless phones), thus contributing to the success and uniqueness of your business meeting. A remote control can facilitate the operation of these devices, creating the ideal lighting for projections and presentations. All of this in a space that combines professionalism with unique aesthetics!

On the wooden deck by the rectangular zen pool, as well as in the very green garden overlooking the deep blue, you can enjoy pleasurable, relaxing moments of a coffee break, lunch or dinner.  
(Cocktail up to 600 people. Seated up to 400 people)

**ISLAND GALLERY.** Walking through the door of the Island Gallery is like opening a portal into another dimension, on an island in the Cyclades, where the surroundings taunt your senses and the sea stretches across the horizon. Here everything is effortlessly fabulous, complementary, and almost magical, as if idyllically created since forever. As for the other treasures hidden in every corner of the Island Gallery, like the beautifully picturesque church perched on the rock, you will have to gradually discover them for yourself. Besides, the Island awaits you, at the same magical place, reflecting its myth in the waters of the Saronic Gulf.

(Cocktail up to 600 people. Seated up to 500 people)

**ISLAND RESIDENCE.** Settled at the edge of the town overlooking the Saronic Gulf, the Residence at Island is like an earthly paradise that resembles a Cycladic landscape. Only a few kilometers out of the city, it awaits you, hidden in a secret bay that only you have discovered. Thousands of candles are competing against the moonlight, while the lights are reflected as thousands of stars in the water and altogether they create scenery of unique beauty. The sense of taste plays its own part in the completion of this wonderful night with an open kitchen, where the dishes by ARIA GEFSEON are prepared in the presence of the guests offering "bread and circuses". The Island Residence is a magical place for unforgettable moments wrapped in a summer breeze, destined to give your every summer dream fairytale dimensions.

(Cocktail up to 2000 people. Seated up to 1200 people)
