4 ABOUT EACVI

EACVI
European Association of
Cardiovascular Imaging
 European Society of Cardiology

About The European Association of Cardiovascular Imaging (EACVI),

The European Association of Cardiovascular Imaging (EACVI), a registered branch of the ESC, is the world leading network of Cardiovascular Imaging (CVI) experts, welcoming over 10,000 CVI professionals including cardiologists, sonographers, technicians, nurses, basic scientists and allied professionals.

The EACVI's mission is to promote excellence in clinical diagnosis, research, technical development, and education in Cardiovascular Imaging.

The EACVI is a unique structure welcoming a unified community of four imaging modalities under one entity (Echocardiography, Cardiovascular Magnetic Resonance, Nuclear Cardiology and Cardiac Computed Tomography). The Association is committed to maintaining high standards of professional excellence by:

- Providing innovative and qualitative tools for continuous medical education
- Helping to improve the standardisation of CVI practice in Europe
- Developing studies, research and clinical practices in CVI
- Supporting knowledge sharing
- Disseminating and encouraging the use of the EACVI recommendations all over the world

About our Congress

EuroCMR 2019 will be the 17th international meeting on CMR organised by the European Association of Cardiovascular Imaging (EACVI), a registered branch of the European Society of Cardiology (ESC).

EuroCMR is Europe's leading clinical CMR meeting, offering practical, hands-on education and training targeted at clinicians with a particular interest in CMR. The meeting also caters for the increasing demand for certification in CMR with its world-leading exam and is a unique platform for scientific exchange in this research active field.

CMR in Europe

Cardiovascular Magnetic Resonance (CMR) is now firmly established in European practice guidelines and its clinical role is expanding more rapidly in Europe than anywhere else in the world.

PARTNER SERVICES

The ESC has created two product categories to allow companies to organise different meeting formats within the congress centre, during congress hours.

Meeting Rooms

Meeting Rooms allow companies to host a limited number of guests and organise small and informal meetings (up to 20 pax) in a range of rooms reserved for 2 and half days and available within the congress centre. Hands-on and training of products/ therapies are not permitted in Meeting Rooms. The rooms include a standard set-up. Meeting Rooms organisers are responsible for additional furniture, AV equipment and catering arrangements.

Meeting Rooms can be made available for one day minimum depending on availability and on request only.

Price available upon request.

Closed Industry Meetings

During available time slots, fully furnished and AV equipped lecture rooms can be used to organise closed industry meetings which are on invitation only. The following rules apply to this meeting category:

- Meeting is "closed" and on invitation only.
- Maximum attendance is 200 guests.
- Meeting is not promoted in the congress centre or in any EuroCMR 2019 publications.

Not contractual

Closed Industry Meetings – Price

- 60-minute meeting: **€3,000**
- Additional cost per increment of 30mins: **€1,500**

Permitted meeting types:

Company staff meeting, congress briefing, investigators meeting, clinical trial updates.
Strictly forbidden: meeting with any formal presentations for delegates.

Time slots or rooms will be assigned on a first come, first served basis
Application deadline: 1 November 2018

All prices are excluding VAT
