Industry activities at EuroHeartCare 2017

Your company and your products and services will be associated with and will contribute to the high quality content of EuroHeartCare 2017.

Your company can participate at EuroHeartCare 2017 in a variety of different ways:

Exhibition: Present your products and services to delegates by showcasing your company in the exhibition.

Industry Sponsored Sessions: Present your latest scientific data and ensure your contribution to the scientific programme by organising a Satellite Symposium open to all delegates.

Sponsorship: Present your company as an official sponsor of EuroHeartCare 2017 for distinguished association with the congress and its scientific programme.

Important:

All requests for exhibition space, satellite symposia, or sponsorship opportunities will be allocated on a first come, first served basis. All prices listed within this document are exclusive of VAT unless otherwise indicated; payment is in Euro (€) only.

Exhibition

"A platform for discussion and exchange"

The Exhibition will be an ideal opportunity to interact with the cardiovascular nursing profession and discuss your products and innovations in the field of cardiovascular research and science. Delegates will cross the exhibition area to access the lecture rooms and browse in the exhibition regularly where coffee breaks will be served. Companies have three ways of exhibiting at EuroHeartCare 2017 with the below options:
