3. Security

The ESC undertakes the general surveillance service of the Building, both by day and at night.

Each Exhibitor is responsible for the security of their stand and exhibit. Exhibitors are recommended to pay close attention to the exhibits during the stand construction and dismantling periods. We strongly urge exhibitors to secure their stand against theft or damage. Valuable objects, which may easily be removed, should be locked away during the night or whenever the stand is left unattended. Particular attention should be paid to goods awaiting collection at the end of the Congress. The ESC accepts no responsibility for goods stolen from exhibits.

Security services can be ordered from the congress centre.

The ESC may refuse or expel any person whose behaviour or clothing is considered incompatible with the image of EuroPRevent 2013, or who refuses to comply with the local safety rules.
