

Traffic Regulations at EuroPrevent 2014

During Build up and breakdown:

- All 'normal size' cars will be directed into the garage: P7.
- All vehicles with a height higher than 1.9m will be directed to the Congress Square and can use the loading door next to the main entrance of the Auditorium.

Parking during build up and break down is free of costs.

During event:

- Parking for cars in the garage is €16,50 incl. VAT per day. A permit for exhibitors for the duration of the event is €42,00 incl. VAT. Both tickets are available in the Amsterdam RAI webshop for exhibitors.
- All vehicles higher than 1.9m and shorter than 6m will be directed to an outside parking place by the RAI traffic guidance. Rate is €55,00 incl. VAT per day. The costs for parking of trucks longer than 6m is €110,00 incl. VAT per day. Lorry parking tickets are available in the Amsterdam RAI webshop for exhibitors.
