3/3 - How to order?

You will receive a confirmation email with:

- The summary of your order(s).
- Your login and password to access your private session on Léni Eurodoc portal.
1/6 - How to use?

- Before the event:

1. Login to your account on http://78.155.146.34/EuroPrevent2014/
2. Assign each reader a name for easy identification (see details page 2/6)
3. Create your action codes for booth usage (see details page 3/6)
2/6 - How to use?

- Rename your reader:
  - Login to your account on [http://78.155.146.34/EuroPrevent2014/](http://78.155.146.34/EuroPrevent2014/)
  - Go to « Scan Readers » on the left side and select « Manage ».
  - Edit the name of your badge reader by clicking on 🖋.
  - Fill in the name of your badge reader.
  - Save your badge reader name by clicking on 📝.
3/6 - How to use?

- Create your action codes:

1. Login to your account on [http://78.155.146.34/EuroPrevent2014/](http://78.155.146.34/EuroPrevent2014/)
2. Go to « Action code » on the left side and select « Manage ».
3. Fill in your first action code.
4. Click on ![add button] to add your action code.
5. Save your action code by clicking on ![save button].
6. Add, edit or delete as many action codes as you want.
7. Print your action codes list!
4/6 - How to use?

During the event:

1. Collect your badge reader(s) to our technical team and bring your action codes list sheet(s)

2. During the show, scan the badges or each participant or visitor.

3. Assign one and several action codes by scanning the bar code corresponding to the action you want to allocate to a participant or a visitor.

4. At the end of each day / end of the show, return your badge reader(s) to our technical staff (Badge reader desk located at the registration area)

5. Our team will upload your data every evening to your session.

6. From your session, you will have the possibility to download the full contacts details in an Excel file and view affiliated statistics.
5/6 - How to use?

- Use the badge reader on site:
  1. **First**, scan the badge of a visitor's badge
  2. Then, scan one or more action codes if needed

  Customer Name: Client 1

  Select a scan reader

  - Send product brochure
    - Print this action code
  - Product B
    - Print this action code
  - Send information email
    - Print this action code
  - Product C
    - Print this action code
  - Product A
    - Print this action code
  - To call for appointment
    - Print this action code
