

# Information brochure

EasyScan,  
your badge reader solution

# Our device, your solution

- With a visible display to make data capture easy for everyone.
- Small and lightweight.
- With enough memory to accommodate an entire day of scanning.
- Handy for gathering market research data, creating lists or numerous other professional data collection tasks.

# Place your order

Put your order through our dedicated web shop :  
[www.events-eurodocument.com/europrevent2019](http://www.events-eurodocument.com/europrevent2019)

Just click on the yellow part “Badge Reader” to begin the process (no need for any ID nor password in the right upper part)
