### Organising Company

Applications for User Group Sessions must be submitted by the company under whose name each session is to be organised. We would like to draw your attention to the fact that the correspondence for the above items should be made exclusively between this company and the ESC.

### Appointed Agency

Companies should inform the ESC, in writing, what agency is appointed for which session. Otherwise no requests from agencies will be taken into consideration.

This appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name.

It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.
