### Important, please inquire:
- These estimated costs apply only to connections located close to a main water supply; a quotation will be produced for remote locations, and some places cannot be connected.
- A floor allowing a minimum 5cm space must be set-up to hide the pipes.
- Call us BEFORE choosing the location of the water supply on your stand.
- Any change of location of the water supply will be charged.

**Note VAT:** according to European law, Nice Acropolis must invoice items with taxes included to all companies, French or foreign.
On this diagram, please show the walls of your stand, aisles, pillars if applicable, location related to your neighbours, and indicate where the required fittings should be installed, such as:
- partition walls, furniture...
- electrical, telephone and water connections...
- sockets and spotlights, etc ...
- MY STAND IS EQUIPPED WITH A ................. cm HIGH FLOOR

Floor space:
Please provide the plans of your stand.
On the diagram mark all materials and indicate the same position numbers as in the “position number” column of the safety questionnaire.
