Installation Guide

Exact details avoid the need for further enquiries, save time and trouble and ensure punctual execution. **Space for sketch for disposition of technical installations require as listed overleaf.**

Please indicate the position of your stand on the sketch (aisles, adjacent stands))

General notes:

Liability commences with the delivery of the items to the stand, and ceases with their collection by us, even if the exhibitor has already left the stand. If no personnel are present on the stand when delivery is made, the services shall be considered to have been duly provided upon fulfilment of the services or deliver of the hired equipment to the stand. The service provider/lessor is not required to check the authority of the personnel encountered on the stand when the services are provided or when hired goods are delivered.

Any complaints regarding the fulfilment of the services should be made to Messe Berlin on the same day, in writing. Complaints made at a later date will be excluded. An obligation exists to rectify justifiable complaints. Cancellation of the contract or a reduction in the remuneration are only possible if the rectification of the complaint is unsuccessful.
