VENUE

The Heart Failure 2006 Meeting will be held at the Helsinki Fair Centre in Finland:

Helsinki Fair Centre
Messuaukio 1, POB 21
FIN-00521 Helsinki
FINLAND

LANGUAGE

Translation facilities will not be available. English is the official language of the Meeting.

TERMINOLOGY

This guide has been written by the organiser, the ESC on behalf of the Heart Failure Association (HFA), a registered branch of the European Society of Cardiology. A successful application made by a company wishing to participate in the exhibition shall imply an acceptance of the requirements contained in these Guidelines.

For the sake of brevity, the following terms are used in these Guidelines:

Building: Helsinki Fair Centre
Exhibitor: The Company which is to be regarded as participant in the exhibition as a result of a submission of an application for stand space followed by a stand assignment.
Heart Failure 2006: Annual International Meeting organised by the HFA
Organiser: The ESC on behalf of the HFA

HFA: Heart Failure Association, a registered branch of the European Society of Cardiology
The European Heart House
2035, Route des Colles
Les Templiers – BP 179
06903 Sophia Antipolis – France
Tel: +33 (0) 492 94 76 00
Fax: +33 (0) 492 94 76 26

BUILDING LAYOUT

- Registration will take place at the main entrance of the building
- Lectures will be held in the following rooms:

Room 1: 1000 seats
Room 2: 800 seats
Room 3: 450 seats
Room 4: 450 seats
Room 5: 450 seats

There will be an Exhibition located in Hall 6 of the Congress Centre, and the Poster area will be located in this hall.

Please refer to the floor plan (available on: www.ESCexhibition.org) for location of the different areas and lecture rooms.
GENERAL CONDITIONS

The following conditions of participation refer to allocation of exhibition space and room/time slots for Satellite Symposia by the ESC to companies exhibiting at Heart Failure 2006 insofar as the contractual partners do not reach contrary agreements in writing.

ADMISSION TO HEART FAILURE 2006 MEETING

The holding of a Satellite Symposium and participation in the exhibition is open to industries active in the field of cardiology. Marketing bureaus, consultants etc. can hire stand space in order to conduct their research or provide their services. These activities are restricted to the rented stand space. It is not allowed to actively canvass for clients outside the space assigned.

APPLICATION FORMS - CONFIRMATION OF ADMISSION

The forms enclosed in the Industry Prospectus should be completed and returned to the ESC no later than 4 November 2005. All completed application forms returned to the ESC will be allocated on a first come, first served basis. Until a signed application form is received, no commitments can be given to allocation of Satellite timeslots, Stand Space allocation and Sponsorship or Promotion item allocation.

By signing the application forms the company accepts to respect the general conditions of participation (included in the Industry Prospectus) and agrees to read and comply with these Guidelines.

Further to the assignment of sponsorship item(s) (Satellite Symposia, Exhibit Location, Function Spaces, Advertisement, and Fliers in Conference Bags, Writing Pads and Pens, Badge Laces, Abstracts CD-ROM, Web Space, Sponsorship of Catering …) ESC will invoice the Sponsoring Company. The cancellation policy takes effect once the invoicing process has been launched by ESC.

GUIDELINES

These Industry Guidelines have been sent to all Exhibitors and Sponsors registered by 4 November 2005.

The Industry is responsible for providing these Guidelines to its subcontractors.

Unless any comments on the complete Guidelines are received before assignment of a Sponsorship item, ESC will consider that Industry representative and their affiliates accept the conditions included in these Industry Guidelines.

Any Exhibitor/Sponsor that is judged to have not followed the Industry Guidelines may be denied the opportunity to exhibit at any future meetings organised on behalf of the HFA.

TERMS OF PAYMENT

The sponsorship fee must be paid in full before the event. Failure to do so will result in the automatic cancellation of the sponsorship.

CANCELLATIONS POLICY

Cancellations by Exhibitors/Sponsors should be made by letter addressed to ESC. If the Exhibitor/Sponsor (except advertising) cancels a reservation after the ESC launched the invoicing process, 50% of the total amount will be due. If the Exhibitor/Sponsor cancels a reservation after 17 March 2006 no refund will be made, and a 100% cancellation fee will be applied.

RENTING STAND SPACE

ESC rents stand space in accordance with the compatibility of the items to be exhibited with the subject matter of the exhibition.

The minimum exhibition space is 9 m² for Industry representatives and 6 m² for Publishers/Booksellers.

ESC reserves the right to deviate from the stand contract and to allocate a stand in a different location, to alter the size of the stand, to re-locate or close entrances and exits on the Exhibition Grounds and/or in the Congress Centre and to carry out any other structural alterations providing it has a substantial interest in such measures, based on special circumstances.

ESC reserves the right to make changes in the layout of the exhibition, as well as in the stand assignment in the event that unforeseen circumstances make this necessary. If in such cases the interests of the Exhibitor are unreasonably impaired, he may withdraw from the contract in writing within one week after receipt of notification of the type of alteration. ESC accepts no responsibility for any damages, which may result from such changes.

EXHIBITS

Exhibits must be displayed on stands for the entire duration of the exhibition; display of products other than those listed in the application is not permitted.

ESC is entitled to have exhibits removed from the stand if their display runs counter to the principles of fair competition or does not comply with the display programme.

Details of prices, given in the form of signboards or stand lettering, are not permitted, nor are references to sales of products already affected or details of suppliers and customers.

STAND DESIGN

Every Exhibitor must submit an exact statement of the dimensions of the stand structure, as well as plans and descriptions of the stand. If fabrics (including linoleum and vinyl floor coverings) are to be used, safety certificates in Finnish, English or German language should be supplied. This applies equally to those companies hiring a standard exhibit stand module from the Building. This information has to be sent to ESC before 3 April 2006 to HFexhibition@escardio.org. Please refer to the chapter Stand Construction of this document (page 9) for more information.

SUBTENANTS AND OTHER REPRESENTED COMPANIES

Sharing the stand area with another company, regardless of whether this company is represented by its own exhibits and its own staff (subtenant) or only by its own exhibits (represented company), is not allowed. Transfer - even in part - of the rights and obligations arising from the rental contract to third parties is not permitted.
TERMS OF PAYMENT

The stand rental fee must be paid in full before the event. Failure to do so will result in the automatic cancellation of the assignment.

The Exhibitor renounces the right to offset counterclaims against rent payable in time unless the counterclaims are undisputed or have been confirmed by a court of law.

If the Exhibitor fails to meet his financial obligations, or additional expenses and other claims arising from the contract, ESC is entitled to retain exhibits and the stand equipment and to sell them by public auction or by private contract at the expense of the Exhibitor. The statutory provisions on realisation of objects seized are thus settled.
Non-payment is considered a violation of our rules; as a consequence ESC reserves the right to refuse the participation at future HFA and ESC organised Meetings/Congresses.

RESERVATIONS

Given serious cause (e.g. industrial action, acts of God) ESC is entitled to postpone, to curtail the duration, to close the exhibition completely or in part for any period, or to cancel it. In the event of complete or part postponement or curtailment, the contract is regarded as valid for a possible new date and new duration unless the Exhibitor protests in writing within a period of 2 weeks after notification of the alteration.

EXEMPTION FROM LIABILITY

ESC does not undertake to safeguard exhibits and excludes, for its staff as well, all liability for damage to these, for theft of these, or loss, except in cases of intent or gross negligence. This exemption from liability also applies if exhibits are seized and stored by ESC due to infringement of the present conditions of participation. This exemption of liability is in no way impaired by the special security measures taken by ESC. Furthermore ESC explicitly excludes all liability for any disadvantages or damage incurred to Exhibitors due to erroneous details on space allocation, stand construction, catalogue entries or other errors in ancillary services. Property of the Exhibitor and of third parties shall remain on the premises at their own risk. ESC will not be responsible for the insurance of such items. ESC shall not be liable for any injury or damage howsoever caused to goods and/or persons in the building and/or on the adjacent sites.
All Exhibitors should contract their own insurance.

PREMATURE TERMINATION OF THE RENTAL CONTRACT

If after binding application and conclusion of the contract ESC should accept in exceptional cases to withdrawal from the contract, the Exhibitor is liable for the full amount of the stand rental including all surcharges. Should ESC succeed in otherwise disposing of the stand, it reserves the right to claim payment of part costs by the tenant withdrawing from the contract. A case of re-letting is not constituted if, for aesthetic reasons, the area not used by the Exhibitor is allocated to another Exhibitor without ESC deriving further proceeds from re-letting the area previously occupied by the re-located company. A case of re-letting is also not constituted if there are still unoccupied stand areas available. ESC is entitled to withdraw from or to revoke the rental contract, the conditions of participation or the supplementary regulations even after a reasonable period of grace. This also applies in the event that the conditions on which the contract was concluded do not apply or no longer apply, in particular if the Exhibitor has so altered his manufacturing programme that his products can no longer be classified in the industry for which he has rented stand space.

CANCELLATIONS

Cancellations of exhibition space should be sent by registered mail to the ESC: HFexhibition@escardio.org. If a reservation by the Exhibitor is cancelled after ESC launched the invoicing process and before 17 March 2006, 50% of the total due amount will be charged.
If the Industry exhibition space is cancelled on or after 17 March 2006, a 100% cancellation fee will be invoiced.

ASSIGNMENT OF SPACE

Stands are assigned on a first come first served basis.
ENFORCEMENT OF RULES

Any exhibitor that is judged to have not followed these Guidelines may be refused the opportunity to exhibit at any future meetings organised on behalf of the HFA.

SUPPLEMENTARY PROVISIONS

Constituent parts of the rental contract take the form of the house regulations, the Industry Prospectus, the Industry Guidelines, as well as other organisational and technical regulations sent to the Exhibitor before the exhibition opens. These documents are available to all Industry involved in Heart Failure 2006, if you don’t receive them, please request them. Unless any comments on the complete Guidelines are received before assignment of a Sponsorship item, ESC will consider that Industry representative and their affiliates accept the conditions included in these Industry Guidelines.

CLAIMS PROCEDURES, PLACE OF PERFORMANCE AND JURISDICTION

All claims by the Exhibitor against ESC must be made in writing within 3 months from the closure of the Heart Failure 2006 exhibition. Agreements, which deviate from these conditions or from the supplementary regulations, must be in writing; facsimile signatures suffice. The contract is governed exclusively by French law; the English text is authoritative. The sovereignty of national law of the site of Heart Failure 2006, Helsinki, Finland, is undisputed.

Place of performance and jurisdiction is Grasse - France. The ESC reserves the right, however, to bring its claims before the courts competent for the area where the Exhibitor has his registered office.

In case of dispute, ESC's decision shall be considered final.

Section 3 – Technical Guidelines For Exhibitors

Important Notice: all Exhibitors must submit a detailed stand drawing to ESC before 3 April 2006. Without the written approval of ESC no stand can be built. If you order a stand system from the Building please send the details to HFexhibition@escardio.org.

For all services (water, electricity, AV, telephone, computer etc.), please order through the Product and Services order forms, available online on Heart Failure 2006 page of www.ESCexhibition.org.
GENERAL INFORMATION

ESC will hire out the stand as "SPACE ONLY," which means that the stand site will be rented out without any prefabricated walls, installations, furniture, electricity, carpet and furnishings, or any other technical supplies and facilities. The Exhibitor shall personally take care of the set-up and installation of the stand, which means carpet, walls (if needed or prescribed), furniture, electricity etc.

The price of "SPACE ONLY" is € 400 per m² (+ VAT)
A reduced rate of € 300 per m² (+ VAT) is offered to publishers, booksellers and journal distributors.
The minimum exhibition space is 9 m² for Industry and 6m² for Publishers.

The exhibitors who will need to rent a standard exhibit stand module are advised to use the services of the Building. See order forms online at http://www.ESCexhibition.org/HF2006/default.aspx.

Please check all the products and services ordered and supplied by the Building. Possible complaints shall be issued during the exhibition directly to the technical adviser Mr. Jukka Reen, tel. +358 (0)9 1509 281.

Immediately after allocation of the stand site the Exhibitor is advised to personally check the location and measurements of installations which might be found on the stand space assigned, the following items are given as examples: fire-alarm systems, junction boxes, technical inspection hatches, water supplies, drainage systems, columns. The ESC does not accept responsibility for the detailed accuracy of the floor plans provided for Exhibitors’ reference.

Each stand will be numbered by the ESC.

Motorised vehicles are not admitted within the Exhibition areas during build-up or dismantling periods nor at any stage during the Heart Failure 2006 Meeting.

Please ensure adequate means to transport your stand materials into the building and to the stand or order these services from the official Forwarder and Lifter: Fairexx (see page 14 shipping information).

EXHIBITION TIME SCHEDULE

- Stand construction should be finished on Friday 16 June 2006 at 20:00 at the latest.

- All packing material, which is to be retained (e.g. for re-use) should be cleared from the Building by 20.00 on Friday 16 June to allow the aisle carpets to be laid. After this time any materials left in the aisles will be cleared by the organisers and destroyed. HFA accepts no liability for the packing material not removed in due time.

- No goods can be brought into the hall by trolleys or pallet trucks on Saturday 17 June. Saturday morning (until 12:00) should be used for installation of decor, computers, etc.

- The ESC will have an office (Organisers Office) in the Building from Thursday 15 June until Tuesday 20 June.

EXHIBITOR BADGES

Free Exhibitor Badges:
Exhibitors are entitled to a certain number of free badges; the number of these free badges for each Exhibitor will be determined according to the floor space allocated as shown below. Please note that company names other than those of listed exhibiting companies will not be produced or allowed.
All Exhibitor badges must be ordered by email. This email should be returned to the Organisers before **17 May 2006** to HFexhibition@escardio.org.

Please note that you have the choice to choose how your free badges are inscribed. Please indicate when you send your email for the badges the number of ‘company only’ badges and the number of ‘individual’ badges you wish to receive (please indicate the person’s name).

Please send us the above information in an Excel spreadsheet. Please refer to corresponding form on: www.ESCexhibition.org.

Exhibitor badges will give access to the scientific sessions when space is available, to be sure of having a seat in the lecture room a standard delegate badge is recommended. Access to Satellite Symposia is at the discretion of the sponsor.

**Additional Exhibitor Badges:**

If the number of free Exhibitor badges is insufficient, extra badges (under company name only) may be purchased at a price of € 40 per badge.

**Work Passes:**

In the interest of security only those individuals directly responsible for the construction and dismantling of the stands will be permitted in the exhibit area during stand construction and dismantling times. To this end, work passes will be given out at the lorry unloading area during stand construction and dismantling times by Fairex. Registered Exhibitors may also gain entrance to the exhibit hall during installation and dismantling times by showing their Exhibitor badge at the entrances. Exhibitors are obliged to wear their badges clearly visible at all times when in the congress centre.

**STAND CONSTRUCTION**

Every Exhibitor must submit an exact statement of the dimensions of the stand, as well as plans and descriptions of the stand. If fabrics (including linoleum and vinyl floor coverings) are to be used, safety certificates in Finnish, English or German language should be supplied. This applies equally to those companies hiring a standard exhibit stand module from the Building. This information has to be sent to HFA before **3 April 2006**.

The drawings shall clearly indicate the planned layout, equipment and furnishing of the stand, including the graphics and signage. Also indicated must be the location of power outlets, electricity cables, water and compressed air connections as well as telephone and ventilation installations.

Only with the written approval of ESC shall the stand drawings be deemed approved for construction. The (standard) maximum height of stand constructions is 2.5 metres. If you wish to build higher than this please contact ESC for approval (HFexhibition@escardio.org).

Two-storey structures are not allowed. Arches, bridges or similar constructions connecting two or more stands are not allowed.

All peninsula, corner and in-line stands must be separated from the neighbouring stand(s) by means of a separation wall. In principle this separation wall should be 2.5 metres high and finished on all sides. The separation wall is considered as part of the stand design and should be indicated on the stand drawings. If two neighbouring Exhibitors come to an agreement regarding the separation wall, and this agreement differs from the policy prescribed by the ESC, this agreement has to be approved of by the ESC. Please note that all in-line, peninsula and corner stands must also have a back wall. The rear sides of the stands shall be designed and decorated by the Exhibitor to whose stand they belong, provided that the interests of the neighbours are not affected thereby.

Stands should be fully accessible on all ‘open’ sides. Requests to be partially exempted from this rule should be submitted in writing to the organisers.

Island booths are separated the width of an aisle from all neighbouring exhibits, demonstration areas may not be set on the aisle line of the exhibit; space must be left within the exhibit area to absorb the spectators. Should the
spectators interfere with the normal traffic flow in the aisle or overflow into neighbouring exhibits, the presentation must be limited or terminated.

The stand floor must be adequately covered, for instance with carpeting or carpet tiles. **Please note that corridors of the Exhibition Hall will be carpeted on Friday night.**

The floor area of the stand must not be covered with paint or glue. The stand area may be covered only by the installation of an elevated platform, use of carpeting that is held in place by its own weight on the floor or by adhesive bands. These items must be removed by the Exhibitor at the end of the exhibition. The Building reserves the right to charge the exhibitor the cost of their removal.

Hot work is work involving sparks or the use of a flame or high heat which can cause a fire. This includes (amongst other things):
- Gas and spot welding
- Flame cutting
- Use of a gas burner or hot air blower

A person performing hot work must carry a hot work permit, for authorization apply before 17 May to the Building (contact Mr Jukka Reen, Email: jukka.reen@finnexpo.fi).

The Exhibitor is not allowed to place articles to be exhibited in a manner, which, in the ESC's opinion, affects or hinders neighbouring stands, e.g. as regards to the visibility of the neighbouring stands. Articles to be exhibited must be kept within the stand perimeter. The exhibit should pose no danger to participants.

The maximum permissible load on the floors of the Building is approximately **1000 kgs per square metre. Maximum spot weight is 10,000 kgs.**

Heavy exhibit items – if the load imposed by exhibits exceeds 10 kN/m² (1000 kg/m²) this must be agreed with the Building.

Stands may be covered by a fire retardant gauze – this can be purchased on-site, if using your own stocks please verify the safety qualities with the Building beforehand. Any and all horizontal decorations, ceiling areas and roofs require approval. Stands in the central area can be viewed from above, therefore they should be well furnished.

The stands, materials, installations, advertising supports, etc, must conform to public safety requirements. The ESC encourages stand constructions using only materials meeting the European safety norm EN13501/1 to class B standard or Finnish class SL-2 (whichever is higher standard) for fabrics and decoration. Exceptional materials must be fire protected. Fire retardency may be verified on-site if necessary, costs arising are the responsibility of the exhibitor.

Exhibitor’s using materials not conforming to any safety component of these Guidelines will replace them with safe alternatives at their own cost.

The use of pyrotechnics and sources of raw flame (e.g. candles) within the Exhibition is not permitted.

Liquid gas may be used when permission obtained from the Building, separate regulations apply (contact Mr Jukka Reen, Email: jukka.reen@finnexpo.fi).

The ceilings, walls, columns and technical installations of the Building in general must not be subject to loads from the decoration or objects exhibited. It is forbidden to hang anything from the ceiling of the Building, or to affix stand parts, posters or other promotional material to columns, walls, girders, etc. of the Building within or outside the stand space assigned.

It is forbidden to make holes, insert screws or nails in the walls, ceilings, floors or columns of the Building.

The floor, columns and installations (distribution boxes, piping, rented shell stands, etc.) of the Building shall be left in the same state in which they were found. Any damage shall be repaired by the Building owners at the Exhibitor's expense.

**Platform**

The use of the wooden platforms is recommended for stands with a lot of electrical wiring; the stand construction firm will be able to advise on this matter. Exhibitors who use such platforms should bear in mind that:
- The maximum height allowed, measured from floor level to the top of the platform is 12 cm;
- The platform sides must be closed and neatly finished;
. The platform edges must be safe (secured safe & easily visible);
. The platform should be placed within the stand perimeter;
. The platform must allow access to those in wheelchairs; please note that the edges should be sloped for this purpose.

No connections to electricity, water or telecoms supply off the stand area is permitted. Please study floorplans carefully, we would like to draw attention to service points on the floor.

It is forbidden to dig trenches, anchorages or to make other structural alterations inside the Building, unless explicit authorisation has been obtained from the Building owners.

It is forbidden to place mortar directly on the floor, to nail with percussion tools or to paint with spray guns.

Use of suspension points is not permitted. All displays should be free standing.

Any set-up or installation, which does not comply with the standard specifications or with the designs approved of by the ESC, must be corrected by the Exhibitor before the opening of the exhibition. Failure to do so will result in the correction being made by the ESC. All expenses for these corrections will be payable by the Exhibitor. The ESC accepts no responsibility for damages caused by these corrections.

The set-up and installations shall be finalised by the deadlines fixed and the packing material shall be removed from the stand. If it appears to the ESC that the equipment and furnishing and/or the set-up and installation of the rented stand site will not be completed in due time prior to the deadline, the organisers shall be entitled to take all measures they may deem necessary. The Exhibitor shall pay all costs that could arise there-from. He shall not be entitled to any claim for reimbursement that may arise in consequence of such an intervention.

Lighting
Hall lighting level is approx. 400 lux at floor level, this may in some instances be lowered in certain sections of the hall at exhibitors’ cost, to arrange this contact Mr Jukka Reen from the Building.

CLEANING AND REFUSE

The ESC will clean the Building and the aisles in the Exhibition area (not the stand space) before the beginning of the Congress and each open day. Cleaning within exhibition stands should be ordered from the local cleaning contractor, ISS – see order form online at www.ESCexhibition.org.

Waste generated during construction and dismantling periods will be removed at the expense of the exhibitor. A one off payment of €1.50 per m² rented covers the removal of all waste throughout the construction and dismantling periods. This charge will be applied on-site by payment card.

Minimum stand cleaning is mandatory after exhibits move-in. To do so exhibiting companies should arrange stand cleaning through the Building, please refer to the order form online at www.ESCexhibition.org

CHEMICAL & BIOLOGICAL WASTE

After the halls management has been notified of its existence, this waste should be deposited in special chemical waste containers, preferably in the original packaging and at the very least with a product label attached. Removal costs will be charged to the Exhibitor.

FIRE AND SAFETY REGULATIONS

General
Please note that the fire extinguishers and hoses must be kept free at all times.
Escape routes, doors and emergency exits (indoor and outdoor) should be kept free of any obstruction and be kept in full view. Similarly for fire fighting equipment, fire safety signs and emergency wall phones. No product/company signs, decorations or stand roofs should be placed above an emergency exit.

Columns with mounted fire equipment or a ladder must remain accessible at all times. If fire hose is covered by a door or curtain, a safety sign should be clearly visible.
Exit routes within stand areas: for stands over 50m², an exit lane of 1m width should be planned within the area to allow personnel to exit quickly. This lane should not be obstructed by furniture.

Written permission from the ESC and the Building is required before any of the following may be used in building.

- Equipment for demonstration purposes, cooking, frying or baking with gas or electricity.
- Compressed or liquefied gases.
- Fire-accelerating liquids.

The same restrictions apply to the use of inflammable chemicals.

CUSTOMS, TAXES AND DUTIES

The Exhibitor will pay the various taxes and duties he might owe resulting from his taking part in the exhibition.

TRANSPORT REGULATIONS / HANDLING

The mechanical lifting and carrying of goods within the hall can only be carried out by the Official Forwarder and Lifter: Fairexx GmbH. It is prohibited to drive motorised vehicles (including forklifts) into the building.

Fairexx will advise Industry representatives on the mechanical lifting and carrying of goods in their quotation.

During the Meeting dates, from Saturday 17 June 08:00 to Tuesday 20 June 13:00 only light articles may be taken in the exhibition hall, pallet trucks may not be used.

Do not place anything in the aisles outside the stand. If you do, you will block the passageway for other transport. The Building has the right to store all packaging that is left in the aisles after 20.00 on Friday 16 June, 2006.

Always park your vehicle in the allotted space. Note that parking is not allowed in front of doors or on ramps. Do not block the doors. Vehicle access for unloading is by schedule published in March 2006 on Heart Failure 2006 page at www.escardio.org. Truck and car parking is available on the fairground, payment can be made on-site (no need to pre-book).

Please request a quote to the official Forwarder and Lifter Fairexx available online at www.ESCexhibition.org.

STORAGE

No refuse (e.g. empty cartons, crates or shipping/packing materials) may be left behind in your booth or in the aisles. If any exhibitor or his contractor(s) leave such materials behind, the costs of removing will be charged to the exhibitor.

Please contact the Official Forwarder and Lifter (FAIREXX) for handling and storage of your empty crates and other packing material during the length of the exhibition.

HELIUM BALLOONS

Exhibitors distributing helium balloons at their stand will be charged € 330 + VAT, to cover the costs of cleaning and removal work after the exhibition (sometimes lifting equipment is required to remove balloons from the ceiling).

STAND ACTIVITIES, HOSPITALITY AND PUBLICITY

I) The main activity of any exhibition stand should be the presentation of the exhibiting company and/or its products or services. The use of photographers, portrait artists or other 'attractions' is not allowed, any similar project must be submitted for the approval of the ESC prior to Heart Failure 2006 Meeting. Failure to do so may result in the exhibitors being obliged, at their own expense, to discontinue any such activity on-site.

II) The projection of films and slides, any amplification with the aid of loudspeakers, the production of music and/or sound, as well as the use of television sets, is allowed as long as no disturbance is caused. If the ESC judges that a disturbance is being caused, the Exhibitor is to halt the activity immediately. If this is not done, the ESC reserves the right to make the necessary arrangements at the expense of the Exhibitor.

III) All audio-visual activities require the written permission of the ESC, if you intend to organise any audio-visual activity please ask the ESC for the details of this policy.

IV) Notwithstanding the legal responsibilities of each Exhibitor at his own stand, the ESC policy that small give-aways are acceptable at the exhibition (maximum retail value € 5) for example badges, T-shirts, pens. All such give-aways must have the written approval of the ESC. The distribution of give-aways should be low profile and should in no way overshadow the main activity of the stand. Please inform the ESC (HFexhibition@escardio.org) of your planned Stand Activity and Give Aways, before 13 May 2006.

V) Exhibitors shall refrain from holding lotteries, organising games of chance and using "market stall techniques". Only quizzes with a scientific content can be held at the stand. Any such activity must be approved of by the ESC. Participation can be 'rewarded' with a prize. However, the prize should be the same for everybody. 'Drawing winners' is not allowed. Maximum retail value should be € 5. If the prize is a 'medical information carrier' such as a medical text book, a CD-ROM, a tape, a slide set, USB memory stick etc., the maximum retail value should not exceed € 50.

VI) Distribution or display of material printed by industry or its agents is limited to the area rented by the Exhibitor in the exhibition. The placement of both signs and billboards is limited to the area rented by the Exhibitor in the exhibition area.

VII) "Special effect" lights, laser, sound & video projection on the stand will be allowed with written permission of the ESC

VIII) Exhibitors are not allowed:

- To use names or trade marks which may be misleading or cause hindrance to the Exhibitors at the other stands or to visitors to the Heart Failure 2006 Meeting.
- Barring exemption applied for and granted, to sell goods against surrender of the purchased items or to receive money in any way for goods sold or offered for sale or for services rendered.
- To affix sold-tags to goods on display.
- To remove exhibits from the stand, to add exhibits to the stand or to cover (parts of) exhibits on the stand. Nor should stands be dismantled or removed prior to the end of the event.

**IX)** The site assigned to the Exhibitor shall be staffed at the beginning of the exhibition (Saturday 17 June, 19:15), during the opening hours of the exhibition as well as during the construction and the dismantling and removal of the stand. The Exhibitor shall make sure that either himself or a person authorised by him is present at the site at all times.

**X)** The use of the name of the Heart Failure Association (HFA), Heart Failure 2006, European Society of Cardiology or the European Heart House (EHH), as well as the logos of these entities, is strictly forbidden in any advertising, publicity, sign, product, printed matter, film, video, or other media etc. without the explicit permission in writing of the owning body the ESC.

The only exception is that Exhibitors may refer to Heart Failure 2006 as “Heart Failure 2006, International Meeting organised by the Heart Failure Association a registered branch of the ESC.

**XI)** Exhibitors or their agencies are not allowed to reproduce texts, drawings or graphics that have been specially produced by the ESC for use in publications such as the Final Programme or the Abstract Book.

**XII)** None of the exhibits may be photographed or filmed without the permission of the relevant Exhibitor. The ESC is entitled to photograph, draw or film the installations and stands, as well as the exhibits thereon and to use these reproductions in its publications and in the press.

**XIII)** The Exhibitor is entitled to photograph or film his own exhibition stand during exhibition hours.

*Note specific guidelines for promoting pharmaceutical products exist in Finland and exhibitors & sponsors are advised to consult the National Agency for Medicines for guidance:*  
http://www.nam.fi/english/pharma_industry/advertising/index.html

**SURVEILLANCE & SECURITY**

The ESC undertakes the general surveillance service of the Building, both by day and at night.

The Exhibitor shall be responsible for the security of his stand and exhibits. Exhibitors are recommended to pay close attention to the exhibits during the stand construction and dismantling periods as well. We strongly urge exhibitors to secure their stand against theft or damage. Valuable objects, which may easily be removed, should be locked away during the night or whenever the stand is left unattended. Particular attention should be paid to goods awaiting collection at the end of the Congress.

The ESC accepts no responsibility for goods stolen from exhibits. Security services can be ordered through the building.

The ESC may refuse or expel any person whose behaviour or clothing is considered incompatible with the image of the Heart Failure 2006 Meeting, or who refuses to comply with the local safety rules.

**INSURANCE & OTHER CHARGES**

Additionally, all exhibition goods and packaging materials shall be insured at the expense and risk of the Exhibitor. *Neither the Building nor the HFA or the ESC* can accept any responsibility for damage, loss, theft, disappearance or injury of anything or anybody due to any cause. The exhibitor and the contractors he may employ are therefore obliged to take out insurance against third party risks including public liability protection before the start of the exhibition. The cost of this insurance is for the exhibitor’s account.

Exhibitors should also be covered against any claims, which may ensure from transportation to and from the Building. A copy of this insurance, or proof of adequate cover, must either be sent to the ESC before 17 April 2006, or be available for inspection on-site.
