During stand construction an dismantling, exhibitors and persons constructing stands can use the parking lot at the Helsinki Fair Centre free on charge by presenting their construction passes. Suppliers can get a free parking pass at the service doors.

You can buy above mentioned cards during the stand construction and exhibition period. We do not mail the cards beforehand. The cards are available at the Exhibitor's Office during the stand construction period.

This is an unsecured parking area and all owners are responsible for locking their vehicles and any lockers which are on vehicles. Please note that the Helsinki Fair Centre cannot be held responsible for any thefts during construction, exhibition and/or dismantling periods. Exhibitors and persons constructing stands are responsible for insuring their goods and vehicles against loss or theft.
