Stand Construction

Stand System Octanorm

Stand 9m ² until 18m ² Example Picture	Details
	1 rubbish bin
	1 brochure holder

Please find further technical and catering services in the service catalogue for exhibitors | 35248.

Please Note

The modular stand can be provided in a row or as a corner stand. By default, the modular stand is provided as a row stand with a height of 250 cm. | In the spaces B 01.01, B01.02 and B 01.03 the stand system will be provided with a different height of 230 cm. A corner stand will be provided without additional charge, if the second fascia board stays plain. Additional costs occur if the second fascia board includes booth number, logo and company's name.

Sketch of Exhibition Stand

We would like to ask you to use the space beneath to sketch your exhibition stand with the following information (scale: one box equals 1 m x 1 m): size of stand, type of stand (e.g. corner stand, heading stand, full stand). Furthermore please indicate the positions of ordered stand equipment such as power sockets, Internet via LAN, furniture or panel walls with graphical designs.
