**Terms and Conditions****1. Organising Company**

Applications for Satellite Symposia and the User Group sessions must be submitted by the company under whose name each session is to be organised. We would like to draw your attention to the fact that the correspondence for the above items should be made exclusively between this company and the ICNC Secretariat. The company is responsible for communicating any relevant documents to its staff and its appointed agencies.

**2. Appointed Agency**

Companies should inform the ICNC Secretariat, in writing, what agency is appointed for which symposia. Otherwise no requests from agencies will be taken into consideration. This appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name. It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.

**3. Cancellations**

Cancellations by Exhibitors should be made by letter addressed to ICNC Secretariat. If a reservation is cancelled by the Exhibitor after an invoice is received but before **31 January 2007**, the amount paid will be refunded minus 50% of the total amount due. If a reservation is cancelled by the Exhibitor after **31 January 2007**, no refund will be made and the total amount as invoiced is due.

**4. Data Protection Disclaimer**

"You have personal data which is, according to the Law on data processing and Civil Liberties 78-17 of 6 January 1978, registered with the ESC. You have the absolute right to access, amend and oppose any use of this personal data by contacting (in writing) the ESC National Society and Member Relations Department at the above-mentioned address. Unless otherwise informed, the ESC may send you information about its activities from time to time."

**Agreement**

I hereby agree to be bound by the above terms and conditions for Satellite and User Group Application.
