Payment will be made by bank transfer (details will be provided on the invoice)			

Organising Company

Applications for all congress activity must be submitted by the company under whose name each activity is to be organised. We would like to draw your attention to the fact that the correspondence for the above items should be made exclusively between this company and the ESC. The company is responsible for communicating any relevant documents to its staff and appointed agencies.

Appointed Agency

Companies should inform the ESC, in writing, what agency is appointed for which congress activity. Otherwise no requests from agencies will be taken into consideration. This appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name. It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.

We accept the contract terms & conditions and agree to abide by the regulations & conditions laid down for this event. I am authorised to sign this form on behalf of the applicant/Company.

Date:	Contact Name:

"Disclosure of Information and Marketing. The ESC complies with EC directives, and is registered under the data protection laws in France, and takes all reasonable care to prevent any unauthorised access to your personal data. Our ESC staff and contractors have a responsibility to keep your information confidential. The ESC does not sell, trade, or rent your personal information to others. We may supply your information to trusted ESC contractors to perform specific services. Otherwise, we do not disclose personal information to any other person or organisation without your consent. If you are a delegate at an ESC organised Congress or meeting, when you visit exhibiting company stands, presenting your badge may enable them to retrieve the following personal data: first name(s), last name(s), address, telephone, fax, email, and professional activity information."
