These General Terms of Contract for Exhibitor Services shall apply to the contractual relationship between exhibitors and Messe München GmbH (hereinafter referred to as MMG). If exhibitors conclude direct contracts with MMG's contracting companies the terms of contract agreed between the exhibitor and MMG's contracting company shall apply.

In case of outside services MMG will pass on order forms, applications for permits, etc. to a contracting company or the responsible authority. No rights or obligations shall arise for MMG from this activity. If MMG itself provides the services it is entitled to use subcontractors. In the case of guest events payment can be collected by the organizer concerned.

MMG is not obliged to check information supplied by the exhibitor for accuracy or completeness. The exhibitor shall be liable in case of doubt.

All prices listed in this Exhibitors’ Service Package are net prices unless otherwise specified. Said prices are subject to VAT at the statutory rate.

Any objects rented to the exhibitor are intended only for the purpose agreed (for use at the exhibition stand for the duration of the trade fair) and for the length of time agreed (duration of the trade fair plus time for setting up and dismantling). The exhibitor is liable for damage to or loss of rented objects during the rental period. If the exhibitor’s liability is conditional upon fault he must prove that there was no fault on his part. The rental period begins with delivery to the stand and terminates on return or collection by MMG or its subcontractors even if the exhibitor has already left the stand. Exhibitors are advised to insure rented objects against theft for the duration of the rental period. The exhibitor will be charged at the replacement value for rented objects not given back. In case of damage, repair costs will be charged if replacement is not necessary. The costs of delivery and collection of the rented objects are included in the rental fee unless otherwise stated in the relevant order form.

MMG is liable for personal injury (injury to life, body or health) caused by neglect of duty for which MMG, its legal representatives or employees are responsible, as well as for other damage caused by intentional or grave breach of duty by MMG, its legal representatives or employees. In these cases MMG is liable only if the damage is typical damage and not consequential damage and only up to EUR 100,000. This limitation of liability applies only to entrepreneurs, legal persons under public law or special funds under public law.

Orders must be accepted by the contractor concerned. Acceptance may be given tacitly, i.e. by providing the service or product ordered. Exhibitors do not have a claim to acceptance of the order, unless the law gives rise to such a claim. Acceptance of the order can be refused, above all if the exhibitors concerned have not fulfilled their financial obligations to MMG, e.g. those arising from previous events.

If the order is accepted, then the exhibitor must be provided with the service or product ordered in good time for the beginning of the trade fair. However, MMG is entitled to refuse to provide the exhibitor with the service or product owed, including the supply of electricity, water, compressed air, etc. arising from previous events. If the exhibitor is responsible for taking the necessary preventive measures.

All the exhibitor’s claims against MMG arising from the stand rental, and all legal proceedings in connection therewith lapse after a period of six months. This period of limitation starts at the end of the month in which the closing date of the fair falls.

No rights or obligations shall arise for MMG from this activity. If MMG itself provides the services it is entitled to use subcontractors. In the case of guest events payment can be collected by the organizer concerned.
