

## Description of our waste disposal services

### Waste bags 180 l

Phone (+49 89) 9 49-2 47 30 to request delivery. Price includes collection and disposal. Filled bags are to be placed in the hall aisles and will be picked up by the staff of our sanitation contractor.

### Plastic bags 1 m<sup>3</sup>

Phone (+49 89) 9 49-2 47 30 to request delivery. Price includes collection and disposal. Filled bags are to be placed in the hall aisles and will be picked up by the staff of our sanitation contractor.

### Carpeting disposal

Price includes collection and disposal. Carpeting is to be rolled or bundled and left at the site of the rental stand, where it will be picked up by the staff of our sanitation contractor.

### Wood and chipboard disposal

Price includes collection and disposal. Arrangements for the removal of wood and chipboard waste must be made by telephone on (+49 89) 9 49-2 47 30. Waste is to be stacked and will be picked up only **outside the hall** during the installation period. During the dismantling period waste can also be collected from inside the hall.

### Waste containers

All containers are lockable and will be delivered **to the outside of the hall** on request, phone: (+49 89) 9 49-2 47 30. To arrange for timely delivery, please contact our sanitation contractor, who will be glad to provide further details.

Container size	Description
2.5 m <sup>3</sup>	This container is equipped with wheels and can be rolled by hand.
5.0 m <sup>3</sup>	This container can be moved with a hand forklift. If the container is kept inside the hall, the exhibitor is obliged to place it outside the hall for collection purposes.
15.0 m <sup>3</sup>	This container may only be placed outside the exhibition hall.
33.0 m <sup>3</sup>	This container may only be placed outside the exhibition hall.

### Food waste and used oil containers

Food waste and used oil containers will be delivered to the exhibition hall on request (phone: +49 (0) 89 9 49 2 47 30). To arrange for timely delivery, please contact our sanitation contractor, who will be glad to provide further details.

Container type	Description

240 l food waste container	This container is equipped with wheels and can be moved by hand. It may be placed in the stand area during the event.
1.1 m <sup>3</sup> food waste container	This container is equipped with wheels and can be moved by hand. It may only be placed outside the exhibition hall during the event.
60 l used-oil container	This barrel-shaped container can be rolled by hand. It may be placed in the stand area during the event.

## Additional information

In accordance with City of Munich ordinances concerning the disposal of commercial and construction waste, the separation of waste into individual recyclable groups is mandatory. All exhibitors and stand builders are therefore obliged to take effective steps to minimise waste and ensure its proper disposal.

- => Disposable carpets should be avoided if possible.
- => Please do not use disposable cutlery or dishes.

**IMPORTANT! An administrative fee of 60.00 EUR will be charged for any waste left without notification on MMG grounds after the designated dismantling period. Exhibitors will also be invoiced for the removal of any adhesive tape or tape residue after the designated dismantling period.**

MMG reserves the right to alter prices in accordance with changes in waste disposal charges. Quoted prices do not include VAT; however, exhibitors will be invoiced at the standard rate.
