Organising Company

Applications for all congress activity must be submitted by the company under whose name each activity is to be organised. Correspondence for the above items should be made exclusively between the exhibiting/organising company and the ESC. The company is responsible for communicating all relevant documents (e.g. Guidelines for Industry Participation) to its staff and to its appointed agencies.

Appointed Agency

Companies should inform the ESC, in writing, which agency is appointed for which congress activity. Without this confirmation, no requests from agencies will be taken into consideration. The appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name. It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.

I hereby agree to be bound by the ESC Congress 2011 Guidelines for Industry Participation and all conditions expressed therein. I also accept to be invoiced for the items ticked off and that are available listed on page 2 of this application form.

I am authorised to sign this form on behalf of the Organising Company..... Tick YES
