

ESC CONGRESS 2010

Stockholm

CATERING OFFER

WELCOME TO MÄSSRESTAURANGER

Mässrestauranger is a family-owned company which has run the restaurants at trade fairs and other events since early 1970 on behalf of Stockholm International Fairs. Today we run twelve permanent restaurants and cafés, and we also offer a number of temporary restaurants and other custom arrangements upon request. We offer a wide range of food enjoyments at every single occasion. We have the inspiration, energy and capacity to run everything between close meetings to colourful banquets for several thousand guests.

Mässrestauranger always work for better environmental awareness. Therefore we are very proud to be among the first *Swan*-labelled restaurants in Sweden and first to manage to fulfil the Swan's tough environmental requirements in Stockholm. Our size means that we must make an extra special effort but also that every environmental improvement makes a real difference.

The Swan is the Nordic official ecolabel that work for sustainable consumption in a sustainable society, leaving future generations the same precondition and opportunities as we have today.
