

EUROPEAN  
SOCIETY OF  
CARDIOLOGY®

**ESC Congress 2007**  
**1 – 5 September**  
**Vienna – Austria**

## **EXPO SUITES / FUNCTION SPACES INFORMATION PACKAGE**

Dear Contact Persons,

You already ordered or plan to order an Expo Suite / Function Space (Hospitality Suite) during the ESC Congress 2007. Expo Suites / Function Spaces can solely be reserved through the ESC.  
The ESC will only be responsible for Expo Suites / Function Spaces in the Messe Wien.

During the ESC Congress 2007, all Expo Suites / Function Spaces will be built by the venue's official builder **EXPOXX**. 14 Expo Suites will be built outside the Zone 2 in a tent and 4 Function Spaces will be built in the Zone 5.

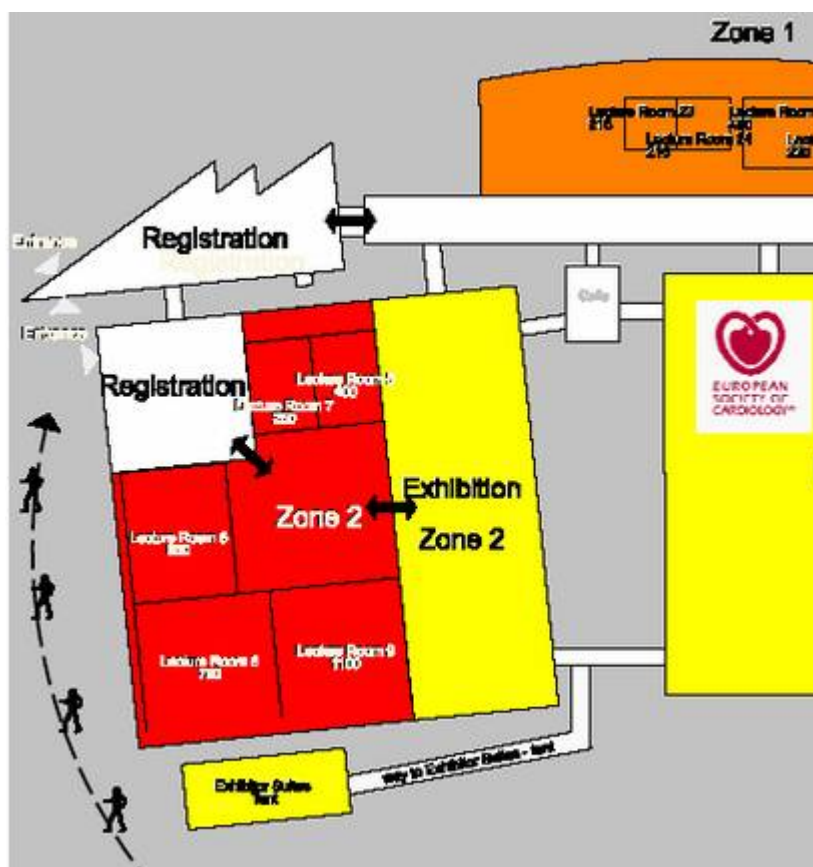

Requests for Expo Suites / Function Spaces should be addressed to ESC offices.  
The ESC will invoice the company and confirm the order to **EXPOXX**.

Each company thereafter is responsible for organising in accordance with **EXPOXX** its individual needs such as furniture, AV equipment or supplies.  
Catering can be ordered to **Gerstner Exhibition & Congress Catering**.

### • **EXPO SUITES - Zone 2**

#### **LOCATION**

14 Expo Suites will be built **in a tent outside**, between Zone 2 and Industry Coach Parking area.

## DESCRIPTION

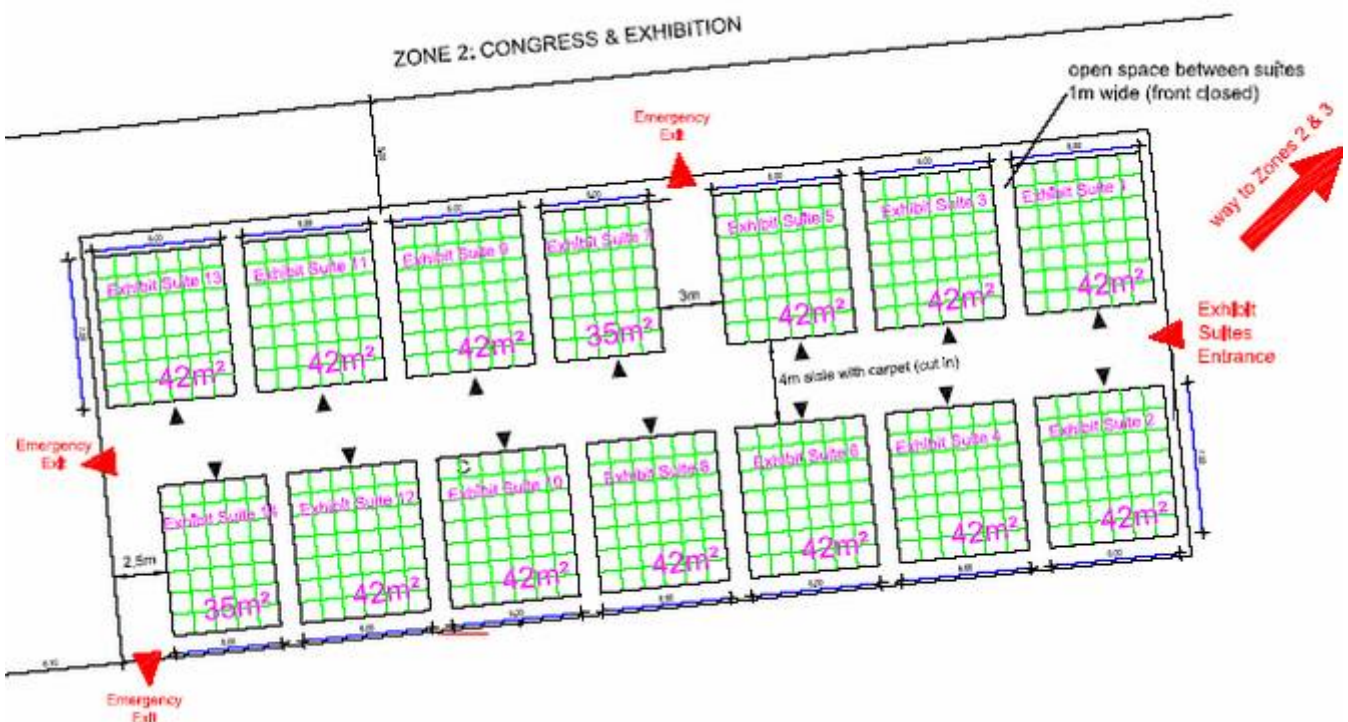

12 modules of 42 m<sup>2</sup>.

2 modules of 35 m<sup>2</sup>.

1 metre gap between each room within the tent.

- Flooring: one way carpet including laying, sheet covering and disposal. Colour to be chosen on commercial catalogue.
- Front: Walls made of modular structures of aluminium with light grey panels, frosted Perspex panels and a light grey double door element.
- Sides: Walls made of modular structures of aluminium with light grey panels.
- Ceiling: False ceiling made of white cloth and a wooden main beam, ready to house the room lighting.
- Lighting: 2 electricity rails included 4 spotlights 75W per room operated from a switch. Main electric connection 2.2 KW and power consumption.
- Corporative image: Access porch will be personalized with individual name panel and a 3 x 1 m general sign over the tent is planned.
