Organising Company: Applications for Sponsorship, Advertisement and other congress options must be submitted by the company under whose name the support will be acknowledged. All correspondence should be made exclusively between this company and the ESC with the exception of an explicit request from the supporting Company to Industry Services at the ESC.

Appointed Agency: Companies should inform the ESC, in writing, which agency is appointed by the supporting company. Without written confirmation no requests from unknown agencies will be taken into consideration. This appointed agency cannot fully act as if it were the company itself and the company will continue to be held entirely responsible and accountable for activities organised in its name. It is not the role of any given agency to make initial enquiries or reservations with the ESC independently of the company.
